

AMENDMENT 2 TO RFP 20-13-6013:

DELETE THE FOLLOWING PARAGRAPH AT PAGE 12 IN SELECTION AND EVALUATION CRITERIA:

Bidders are not required to propose Resources in the Optional Service Categories but are encouraged to do so. Optional Service Categories are evaluated in Point Rated Criterion R4. In the event that proposed Resources for any Optional Service Categories proposed do not meet the minimum qualifications for their respective category, the Bidder will not be eligible to receive any points (on Point-Rated Criterion R4) for those resources, which could impact the Bidder's overall score. If awarded an SOA, the Bidder would not be eligible to provide services in any Optional Service Category(ies) in which there were no compliant resources proposed.

REPLACE WITH:

Bidders are not required to propose Resources in the Optional Service Categories but are encouraged to do so. Optional Service Categories are evaluated in Point Rated Criterion **R3**. In the event that proposed Resources for any Optional Service Categories proposed do not meet the minimum qualifications for their respective category, the Bidder will not be eligible to receive any points (on Point-Rated Criterion **R3**) for those resources, which could impact the Bidder's overall score. If awarded an SOA, the Bidder would not be eligible to provide services in any Optional Service Category(ies) in which there were no compliant resources proposed.
