

Question 1 to CMHC RFSO Actuarial Services and Financial Risk Modelling Consulting Services

File # 201305201

Question 1

Section 2.18 of the RFSO indicates that SO Holder shall ensure that CMHC Information shall remain in Canada. Could you please confirm that foreign resources may be proposed by Canadian bidders, with the understanding that all CMHC information remains in Canada

Answer 1

Yes, foreign resources may be proposed by the Proponents as long as the proposal indicates how the information remains in Canada. Please note that for stream 1 - Actuarial Services, the lead must be a Fellow of the Canadian Institute of Actuaries. The rest of the team could be foreign.
