General Specifications
TENDER FORM

As required, we have provided the details of our lump sum in the following pages, for the sole purpose of calculating the cost of the modifications to the work requested by the Owner.

All documents are an integral part of this tender. The tender form should not contain any exception to market conditions.

The undersigned bidder acknowledges receipt of addenda, having read them, having completed them if required, and engages during the execution of the work, to comply with them.

The bidder shall inquire from the Consultant and/or the Owner the exact number of addenda issued. Thereafter, he cannot establish any claim for work requested in an addendum on the pretext that he was not informed.

The bidder acknowledges receipt of the following addenda:

ADDENDUM N ^o	RECEPTION DATE
_____	_____
_____	_____
_____	_____
_____	_____
_____	_____

Please find enclosed:

- A letter of commitment from a company agreeable to provide, at the expense of the bidder, a Performance Bond and a Labour and Material Payment Bond, both with a value equal to fifty percent (50%) of our total bid amount.
