1. Extend the solicitation period to March 14, 2014.
2. At **PART 2 - BIDDER INSTRUCTIONS**, Article 1. **Standard Clauses and Conditions**, with reference to the text:

"The 2003 (2013-04-25) Standard Instructions - Request for Standing Offers - Goods or Services - Competitive Requirements, are incorporated by reference into and form part of the RFSO."

(i) **DELETE:** (2013-04-25) and

**INSERT:** (2014-03-01)

(ii) The entire text under Section 01 (2012-11-09 Revised) - Code of Conduct and Certifications - Bid of 2003 referenced above is replaced by:

**01 (2014-03-01) Integrity Provisions - Bid**

1. Bidders must comply with the Code of Conduct for Procurement. In addition, bidders must respond to bid solicitations in an honest, fair and comprehensive manner, accurately reflect their capacity to satisfy the requirements stipulated in the bid solicitations and resulting contracts, and submit bids as well as enter into contracts only if they will fulfill all obligations of the Contract.

2. By submitting a bid, Bidders confirm that they understand that, to ensure fairness, openness and transparency in the procurement process, the commission of certain acts or offences will render them ineligible to be awarded a contract. Canada will declare non-responsive any bid in respect of which the information requested is missing or inaccurate, or in respect of which the information contained in the certifications is found by Canada to be untrue in any respect, at the time of contract award. If it is determined, after contract award, that the Bidder made a false declaration, Canada will, following a notice period, have the right to terminate the Contract for default. The Bidder will be required to diligently maintain up-to-date the information requested. The Bidder and any of the Bidder's Affiliates will also be required to remain free and clear of any acts or convictions specified in these Integrity Provisions during the period of any contract resulting from this bid solicitation.

3. Affiliates

For the purpose of these Integrity Provisions, everyone, including but not limited to organizations, bodies corporate, societies, companies, firms, partnerships, associations of persons, parent companies, and subsidiaries, whether partly or wholly-owned, as well as individuals, and directors, are Bidder's Affiliates if:

- a. directly or indirectly either one controls or has the power to control the other, or
- b. a third party has the power to control both.

Indicia of control, include, but are not limited to, interlocking management or ownership, identity of interests among family members, shared facilities and equipment, common use of employees, or a business entity created following the acts or convictions specified in these Integrity Provisions which has the same or similar management, ownership, or principal employees, as the case may be.

4. Bidders who are incorporated, including those bidding as a joint venture, must provide a complete list of names of all individuals who are currently directors of the Bidder. Bidders bidding as sole proprietorship, including those bidding as a joint venture, must provide the name of the owner. Bidders bidding as societies, firms, or partnerships do not need to provide lists of names.

If the required names have not been received by the time the evaluation of bids is completed, Canada will inform the Bidder of a time frame within which to provide the information. Failure to provide the names within the time frame specified will render the bid non-responsive. Providing the required names is a mandatory requirement for contract award.

Canada may, at any time, request that the Bidder provide properly completed and signed consent forms (Consent to a Criminal Record Verification form - PWGSC-TPSGC 229) for any or all individuals mentioned above within a specified time frame. Failure to provide such consent forms and associated information within the time frame provided, or failure to cooperate to the verification process, will result in the bid being declared non-responsive.

5. The Bidder must diligently inform Canada in writing of any changes affecting the list of names of directors during this procurement process as well as during the contract period. The Bidder must also, when requested, provide Canada with properly completed and signed consent forms.

6. By submitting a bid, the Bidder certifies that it is aware, and that its Affiliates are aware, that Canada may request additional information, certifications, consent forms and other evidentiary elements proving identity or eligibility. Canada may also verify the information provided by the Bidder, including the information relating to the acts or

convictions specified in these Integrity Provisions, through independent research, use of any government resources or by contacting third parties.

7. By submitting a bid, the Bidder certifies that neither the Bidder nor any of the Bidder's Affiliates have directly or indirectly, paid or agreed to pay, and will not, directly or indirectly, pay a contingency fee to any individual for the solicitation, negotiation or obtaining of the Contract if the payment of the fee would require the individual to file a return under section 5 of the Lobbying Act.

#### 8. Time Period

The Time Period is 10 years and is measured from the date of the conviction or from the date of the conditional or absolute discharge.

In addition, for a conviction under paragraphs a. or b. of subsection 9, following the 10-year period, a pardon or a record suspension must have been obtained, or capacities must have been restored by the Governor in Council. The Bidder must therefore provide with its bid or promptly afterwards a copy of confirming documentation from an official source for its certification to be found true by Canada for the purpose of these Integrity Provisions. If the documentation has not been received by the time the evaluation of bids is completed, Canada will inform the Bidder of a time frame within which to provide the information. Failure to comply within the time frame specified will render the bid non-responsive.

9. By submitting a bid, the Bidder certifies that neither the Bidder nor any of the Bidder's Affiliates have been convicted of an offence or received a conditional or an absolute discharge under any of the following provisions, unless the time period, as defined in the Time Period subsection, has elapsed:

- a. paragraph 80(1)(d) (False entry, certificate or return), subsection 80(2) (Fraud against Her Majesty) or section 154.01 (Fraud against Her Majesty) of the Financial Administration Act, or
- b. section 121 (Frauds on the government and Contractor subscribing to election fund), section 124 (Selling or Purchasing Office), section 380 (Fraud) for fraud committed against Her Majesty or section 418 (Selling defective stores to Her Majesty) of the Criminal Code, or
- c. section 119 (Bribery of judicial officers, etc), section 120 (Bribery of officers), section 346 (Extortion), sections 366 to 368 (Forgery and other offences resembling forgery), section 382 (Fraudulent manipulation of stock exchange transactions), section 382.1 (Prohibited insider trading), section 397 (Falsification of books and documents), section 422 (Criminal breach of contract), section 426 (Secret commissions), section 462.31 (Laundering proceeds of crime) or sections 467.11 to 467.13 (Participation in activities of criminal organization) of the Criminal Code, or

- d. section 45 (Conspiracies, agreements or arrangements between competitors), section 46 (Foreign directives), section 47 (Bid rigging), section 49 (Agreements or arrangements of federal financial institutions), section 52 (False or misleading representation), section 53 (Deceptive notice of winning a prize) of the Competition Act, or
- e. section 239 (False or deceptive statements) of the Income Tax Act, or
- f. section 327 (False or deceptive statements) of the Excise Tax Act, or
- g. section 3 (Bribing a foreign public official), section 4 (Accounting), or section 5 (Offence committed outside Canada) of the Corruption of Foreign Public Officials Act, or
- h. section 5 (Trafficking in substance), section 6 (Importing and exporting), or section 7 (Production of substance) of the Controlled Drugs and Substance Act.

The Bidder also certifies that no one convicted under any of the provisions under a. or b. are to receive any benefit under a contract resulting from this bid solicitation, unless a pardon or a record suspension has been obtained or capacities restored by the Governor in Council, as defined in the Time Period subsection.

#### 10. Foreign Offences

The Bidder also certifies that, within a period, as defined in the Time Period subsection, neither the Bidder nor any of the Bidder's Affiliates have been convicted of or have received a conditional or an absolute discharge, under any foreign offence that Canada deems to be of similar constitutive elements to the offences listed in these Integrity Provisions. Canada will also consider foreign measures declared by Canada to be similar in nature to the Canadian pardon, record suspension, or restoration of capacities by the Governor in Council.

#### 11. Subcontractors

The Bidder must ensure that subcontracts include Integrity Provisions no less favourable to Canada than those imposed in the resulting contract.

#### 12. Preventive Measures associated with the Time Period

In cases where the period (as defined in the Time Period subsection), for a conviction, or a conditional or an absolute discharge of the Bidder or any of the Bidder's Affiliates has elapsed, then the Bidder must also certify for itself and for its Affiliates that measures have been diligently put in place in order to avoid the reoccurrence of such convictions or reprehensible actions.

#### 13. Public Interest Exception

Bidders understand that Canada may enter into contract with a bidder, where the Bidder or the Bidder's Affiliates have been convicted of or have received a conditional or an absolute discharge for an offence specified in these Integrity Provisions, when required to

do so by law or legal proceedings, or when Canada in its sole discretion considers it necessary to the public interest for reasons which include, but are not limited to:

- no one else is capable of performing the contract;
- emergency;
- national security;
- health and safety;
- economic harm.

If all bids are found non-responsive for reason of a listed relevant conviction or act, then Canada may invoke the public interest exception, as described in the paragraph above. In such cases, only bids containing a declaration concerning a relevant offence or act will be further considered. Canada may also elect to procure outside of the present process. In all cases, Canada reserves the right to impose additional conditions or measures to ensure the integrity of the procurement process.

#### 14. Non-application

For governments, as well as entities controlled by a government, including Crown corporations, the present Integrity Provisions are reduced to complying with article 750 of the Criminal Code, the Government Contract Regulations and the Code of Conduct for Procurement.

It is the sole responsibility of the Bidder to regularly consult GETS for the most up-to-date information. Canada will not be liable for any oversight on the Bidder's part nor for notification services offered by a third party.

4. Bids will remain open for acceptance for a period of not less than sixty (60) days from the closing date of the bid solicitation, unless specified otherwise in the bid solicitation. Canada reserves the right to seek an extension of the bid validity period from all responsive bidders in writing, within a minimum of three (3) days before the end of the bid validity period. If the extension is accepted by all responsive bidders, Canada will continue with the evaluation of the bids. If the extension is not accepted by all responsive bidders, Canada will, at its sole discretion, either continue with the evaluation of the bids of those who have accepted the extension or cancel the solicitation.

5. Bid documents and supporting information may be submitted in either English or French.

6. Bids received on or before the stipulated bid solicitation closing date and time will become the property of Canada and will not be returned. All bids will be treated as confidential, subject to the provisions of the Access to Information Act (R.S. 1985, c. A-1) and the Privacy Act (R.S., 1985, c. P-21).

7. Unless specified otherwise in the bid solicitation, Canada will evaluate only the documentation provided with a bidder's bid. Canada will not evaluate information such as references to Web site addresses where additional information can be found, or technical manuals or brochures not submitted with the bid.

8. A bid cannot be assigned or transferred in whole or in part.

To ensure consistency and quality of information provided to bidders, significant enquiries received and their replies will be posted on the Government Electronic Tendering Service (GETS). For further information, consult subsection 3 of the Submission of Bids section.
