### Amendment No. 007

This amendment is being raised to provide responses to Requests for Clarification.

#### REQUESTS FOR CLARIFICATION

Q1. While the RFP has specified the services of a Bathymetric Survey Expert, it has not specified that this would involve the actual execution of bathymetric surveys. Amendment No. 005 Q.21 now indicates that a bathymetric survey between the sheet pile walls and other areas as required is part of the consultant's contract.

Section 35 20 34 (1.10) of the Stage 1 Specification speaks to pre- and post-dredging soundings to confirm dredge volumes to be undertaken by the Departmental Representative as well as any surveys after second pass dredging.

Can you confirm that the bathymetric survey identified in the Stage 1 Specification is the same as that intended by Amendment No. 005 and that the hours specified in RS2 of Revised Appendix C includes both pre- and post- dredging surveys?

**A1. The bathymetric survey identified in the Stage 1 Specification is the same as that intended by amendment No. 5. The hours in RS2 include both pre-dredging and post-dredging.**

Q2. Item D of the revised price proposal form included as Amendment No. 005 includes two underwater inspections by divers.

Can you provide details of the nature and extent of such inspections and any specialized equipment that might be required?

**A2. The underwater inspections by divers are for steel sheet pile wall, geotextile and stone installation. The equipment shall be determined by the divers.**

Q3. RS 3A – Consultant Site Office/Trailer(s) and Boat(s)

The revised description of services includes the provision of boats for inspections, sediment sampling and bathymetric survey.

Can you confirm that the boats provided are for the sole use of the consultant or is there an expectation to have one or more Departmental Representatives on board during certain activities? If this is the case, can you indicate the maximum number of passengers to be carried at any one time so the appropriate sized vessel can be specified?

**A3. One boat supplied by the consultant shall be able to provide transportation for up to four passengers identified by the Departmental Representative**

Q4. RFP Revisions, Item vi) RS 3A - Consultant Site Office / Trailer(s) and Boat(s)

be RFP Revisions, Item vii) 3.1.2 Consultant Team Identification - The revised consultant team to identified now includes Resident Inspectors.

(Resident Inspectors) to be presented in the proponent's submission will require additional pages for the proponent to sufficiently respond to these new additions, therefore, we request a page limit increase from fifty (50) pages to fifty-five (55) pages.

**A4. No.**

Q5. I refer to Amendment #5 for the above solicitation. Note 5 on page 20 of 22 makes reference to normal working hours and other shift work. Is it intended by is clause that there is no additional compensation for overtime?

**A5. All hours worked will be paid for at the Fixed Hourly Rate provided by the proponent in Appendix C Price Proposal Form 2. The proponent shall include any allowance they feel necessary for overtime in their Fixed Hourly Rate. Please refer to A30 in Amendment #5 Dated 2014-02-21(3) Request for Clarification.**

Q6. RS3A of Amendment 5 indicates:

Consultant shall provide site office / trailer(s) for all site personnel and equipments during construction stage.

require access, number of personnel at average and peak manpower, office area foot print required. Are these personnel trailers?

Are storage specific trailers required? Are flammable or hazardous material storage required?

**A6. The site office / trailer(s) are for the consultant's operations. The consultant shall determine what is required to meet the requirements of this request for proposal.**

Q7. Consultant shall make arrangements for the supply of water, electrical power, sanitary facilities, heat and any other temporary services required during construction and for the lifetime of any temporary facility.

Please provide the location and access of existing utilities (power, water) that will be used for connection to the site trailers and sanitary facilities, and the relative position of the requested facilities if applicable.

**A7. The Consultant shall determine the location and access of existing utilities.**

Q8. Consultant shall provide boat(s) for inspections, sediment samples and bathmetry survey during construction stage.

Does PWGSC have any specific requirements for the nature or size of the requested boats?

is Please confirm, that if the consultant is not engaged in Stage 2 and Stage 3 construction, that it be PWGSC expectation that the site trailer(s), sanitary facilities and boat(s) as required will removed.

**A8. One boat supplied by the consultant shall be able to provide transportation for up to four passengers identified by the Departmental Representative.**

**The site trailer(s), sanitary facilities and boat(s) will be removed by the consultant at the completion of this contract.**

Q9. Amendment 5 – -(3) REQUESTS FOR CLARIFICATION A19. Indicates “The Consultant provides trailer(s) for their personnel and operations on site.....” However, RS3A 2. Indicates “Consultant shall provide site office/trailer(s) for all site personnel and equipments during construction stage.” Please clarify if the Consultant is providing Trailers, Storage and Sanitary facilities for the Consultants personnel only, or for all personnel..

**A9. The Consultant is providing trailers, storage and sanitary facilities for the Consultant’s personnel.**

All other terms and conditions of the solicitation remain the same.
