Amendment # 001

The purpose of this amendment is to:

1. **Incorporate new Standard Instructions and General Conditions.**
 2. **Incorporate the new PWGSC integrity provisions taking effect on March 1st, 2014.**
Description of the changes as follows (Excerpt of the Synopsis to be published in SACC Version 2014-1 on March 1, for the Revised Integrity Provisions): The title of Section 01 entitled "Code of Conduct and Certifications" has been changed to "Integrity Provisions". A new subsection 8 is added to establish a Time Period of 10 years within which suppliers who have been convicted of offences or have received a conditional or an absolute discharge will be ineligible to do business with PWGSC. The text of subsection 9 has been revised to expand the list of offences that render convicted suppliers ineligible to do business with PWGSC including those who have pleaded guilty to a listed offence or have received an absolute or conditional discharge. A new subsection 10 is added to expand the ineligibility conditions to include similar offences in foreign jurisdictions. A new Subsection 11 is added to extend the Integrity Provisions to subcontractors. A new subsection 12 addresses preventive measures associated with the Time Period. The text of subsection 13 has been revised to clarify the circumstances when Canada may invoke the Public Interest Exception. A new subsection 14 is added to specify that these provisions do not apply to governments and entities controlled by a government. Other minor revisions to the text have been made throughout the section on Integrity Provisions.

Part 5 - Certifications

Offerors must provide the required certifications and associated information to be issued a standing offer.

The certifications provided by the offerors to Canada are subject to verification by Canada at all times. Canada will declare an offer non-responsive, or will declare a contractor in default in carrying out any of its obligations under the Contract, if any certification made by the offeror is found to be untrue whether made knowingly or unknowingly, during the bid evaluation period or during the standing offer period.

The Contracting Authority will have the right to ask for additional information to verify the Offeror's certifications. Failure to comply and to cooperate with any request or requirement imposed by the Contracting Authority may render the offer non-responsive or constitute a default under the Standing Offer.

1. Certifications Required Precedent to Issuance of a Standing Offer

1.1 Integrity Provisions - Associated Information

By submitting an offer, the Offeror certifies that the Offeror and its Affiliates are in compliance with the provisions as stated in Section 01 Integrity Provisions - Offer of Standard Instructions 2006.

The associated information required within the Integrity Provisions will assist Canada in confirming that the certifications are true.

1.2 Federal Contractors Program for Employment Equity - Bid Certification

By submitting an offer, the Offeror certifies that the Offeror, and any of the Offeror's members if the Offeror is a Joint Venture, is not named on the Federal Contractors Program (FCP) for employment equity "[FCP Limited Eligibility to Bid](http://www.labour.gc.ca/eng/standards_equity/eq/emp/fcp/list/inelig.shtml)" list (http://www.labour.gc.ca/eng/standards_equity/eq/emp/fcp/list/inelig.shtml) available from [Employment and Social Development Canada \(ESDC\) - Labour's](#) website.

Canada will have the right to declare an offer non-responsive, or to set-aside a Standing Offer, if the Offeror, or any member of the Offeror if the Offeror is a Joint Venture, appears on the "[FCP Limited Eligibility to Bid](#)" list at the time of issuing of a Standing Offer or during the period of the Standing Offer.

10.1 Compliance

The continuous compliance with the certifications provided by the Offeror with its offer and the ongoing cooperation in providing associated information are conditions of issuance of the Standing Offer (SO). Certifications are subject to verification by Canada during the entire period of the SO and of any resulting contract that would continue beyond the period of the SO. If the Offeror does not comply with any certification, fails to provide the associated information, or if it is determined that any certification made by the Offeror in its offer is untrue, whether made knowingly or unknowingly, Canada has the right to terminate any resulting contract for default and set aside the Standing Offer.
