

Community Residential Facilities Ontario Region

An advanced contract award notice (ACAN) is a public notice indicating to the supplier community that a department or agency intends to award a contract for goods, services or construction to a pre-identified supplier, thereby allowing other suppliers to signal their interest in bidding, by submitting a statement of capabilities. If no supplier submits a statement of capabilities that meet the requirements set out in the ACAN, on or before the closing date and time stated in the ACAN, the contracting officer may then proceed with the award to the pre-identified supplier.

1. Definition of requirement:

The Correctional Service of Canada (CSC) intends to establish nineteen (19) contracts for the provision of Community Residential Facility services for adult offenders on conditional release which provides accommodation, security services and offender support in the Ontario Region.

1.1 Objectives:

Community Residential Facilities are a bridge to the community and exist to promote the successful integration of offenders into the community, while maintaining a level of risk management considered essential for each individual. Community Residential Facilities contribute to the management of that risk by ensuring suitable accommodation, monitoring and intervention while contributing to social and economic support that assists conditionally released federal offenders to become law-abiding citizens.

1.2 Tasks:

The contractor must provide these services, but is not limited to the following:

- Provision of three meals per day which follow the Canada Food Guide
- Provision of security services, including staff are on-site and awake 24 hours per day; periodic check of resident activities and destinations while away from the facility;
- Enhanced Program Services for High Needs Offenders
- Personal Support Worker Services for Mental Health Offenders

1.3 Expected results:

Provide residential beds to CSC for Unescorted Temporary Absences, Day Parole, Full Parole, Statutory Release and Long-Term Supervision Order cases being released in Ontario.

Provide three meals a day to residents. Such meals are to meet health and nutritional requirements in accordance with Canada's Food Guide.

Ensure staff is on-site and awake 24 hours per day.

Maintain a daily record/log on resident activities.

Must be in compliance with all applicable territorial, provincial, municipal and local legislation and regulations. The premises and equipment shall conform to applicable zoning, health, safety, building and fire codes and regulations.

CSC may request to provide enhanced or specialized services.
