In that event, the evaluation process will be limited to the offers with the certification; otherwise, all offers will be evaluated. If some of the offers with a valid certification are declared non-responsive, or are withdrawn, and less than three responsive offers with a valid certification remain, the evaluation will continue among those offers with a valid certification. The certifications provided by offerors to Canada are subject to verification by Canada at all times. The Standing Offer Authority will have the right to ask for additional information to verify the Offeror's certifications.
