This document contains answers to questions received from Bidders and an amendment.

QUESTION 2

M.1 Mandatory Technical Criteria states that the Bidder must propose one resource for the following category:

- Review Team Leader

In addition, the Bidder may propose up to two additional resources, with a maximum of one resource proposed for each of the following categories:

- Review Team Member (Information Technology (IT));
- Review Team Member (Business).

Please confirm that should the bidder submit the same resource for the Review Team Leader and Review Team Member (Business) categories, providing that individual was certified for both categories, that this would meet the requirements of M1 provided a Review Team Member IT was also proposed.

ANSWER 2

To be responsive, the Bidder must not propose the same resource in more than one category. See below amendment to the Mandatory Technical Criteria M.1.

QUESTION 3

We found the attached requirement in www.buyandsell.gc.ca .

Can you confirm that this requirement is open to all firms who have resources that have performed the scope of work?

ANSWER 3

This RFP is only opened to Suppliers who qualified under the Independent Reviewer Services Supply Arrangement and hold an active SA.
