Amendment # 005

The purpose of this amendment is to:

- 1. Provide a response back from Public Works and Government Services Canada to Questions raised by bidders.**
 - 2. Amend Part 6 – Standing Offer and Resulting Contract Clauses, Section 6 Identified Users**
-

Q1. As per Section 1.1.3 Mandatory items - I just wanted to advise that we are unable to quote on one of the items on this tender

Modified Food Starch – Thermflo

If acceptable, we can quote a regular Corn Starch in the same format as requested

A1. The client requires Thermflo which is a modified cornstarch product. The reason for this is that the modified corn starches are a derivative of waxy maize that is formulated for heat stable and cold stable applications with a high shear resistance which is necessary in the production of CSC Cook Chill recipes. Regular Cornstarch is not a modified corn starch and is not suitable.

Q2. Re: Annex B – item list – item “Cold Cereal – Multi Grain Cheerios” –

The request is for a 1 x 10 kg size package –

I went to General Mills who manufacture this product, and received the following response.

They are telling me that the largest size that they manufacture is the 4 x 822 gm case size – or 3.29 kg.

A2. Due to operational requirements, CSC requires the 1x 10kg pack size. The pack size will remain unchanged.

Q3. Re: Annex B – item list – Low Sodium Soup Bases – chicken, beef and vegetable

1. Requested pack size is 1 x 20 kg size – after contacting 5 vendors for this product, the largest size available for a “Low Sodium” is: 1 x 15 kg.
There are product sizes ranging from 10 lbs or 4.54 kg to 20 lbs or 9.08 kg to 15 kg bulk pack. In an effort to provide the best price to your customer, will they accept a case size variance for this item to get the best kg price?

A3. Please refer to document Annex B that was amendment dated on 2014-03-31 and size was revised to 1 x 15kg.

Q4. Re: Annex B – item list - cereals

Item “Cold Cereal – Bran Flakes” – requested size is: 1 x 10 kg

- as per below from the manufacturer (Kellogg) – available is a 1 x 13.6 kg pack size or 6 x 1.0 kg pack size
- Could you please verify which we should quote?

A4. Due to operational requirements, CSC requires the 1x 10kg pack size. The pack size will remain unchanged.

Q5. Re: Annex B – item list - cereals

Item “Cold Cereal – All Bran” - requested size is: 1 x 10 kg

- a. as per below from the manufacturer – product is available as either 1 x 22 kg pack size or 6 x 1.6 kg pack size
- Could you please verify which we should quote?

A5. Due to operational requirements, CSC requires the 1x 10kg pack size. The pack size will remain unchanged.
