This solicitation amendment 002 is raised to answer bidders' questions and to revise Annex "A" FIRM PERCENTAGE DISCOUNT.

**1) Bidder's question and answer:**

**Q15** - Within each class you have a variety of hand tools with a variety of % discounts applicable.

**A15** - Only one Offerors % discount, per manufacturer, per hand tools class will be accepted.

**2) Delete:** ANNEX A (Revision 1) - FIRM PERCENTAGE DISCOUNT, in its entirety.

**Insert:** ANNEX A (Revision 2) - FIRM PERCENTAGE DISCOUNT included herein)

## HAND TOOLS

### ANNEX A (Revision 2)

#### FIRM PERCENTAGE DISCOUNT

Offerors must provide their percentage discounts by completing this Annex and insert a percentage discount for the Manufacturers that they want to represent. Offerors do not have to offer a Firm Percentage Discount for all the Manufacturers identified in this Annex.

It is the responsibility of all Offerors to ensure that they provide the manufacturer's suggested retail price (MSRP) list effective at date of bid closing. CD copies of the MSRP will be accepted.

All Offerors must base their percentage discounts off of the same identical manufacturer's suggested retail price (MSRP) list as provided directly by the manufacturers listed in the attached documents and effective at date of bid closing.

Percentage discounts provided by each Standing Offer holder will remain fixed for the duration of the Standing Offer. Updates to the manufacturer's suggested retail price (MSRP) list will only be accepted once during the Standing Offer period (October 01) and twice for the option period (April 30 and October 01), if exercised, and must be approved by the Standing Offer Authority prior to implementation.

Standing Offer holders using updated price lists not approved by the Standing Offer authority, will have Canada set-aside their Standing Offer.

Any Offeror who fails to provide the manufacturer's suggested retail price (MSRP) list effective at date of bid closing, will be deemed non-compliant, removed from the process and will not be considered any further for that specific manufacturer.
