ADDENDUM 004

REQUEST FOR QUALIFICATION (RFQ)

FOR THE NEW BRIDGE FOR THE ST. LAWRENCE CORRIDOR PROJECT

FOR THE GOVERNMENT OF CANADA

THIS ADDENDUM HAS BEEN RAISED TO EFFECT THE FOLLOWING CHANGES:

1. at Package 3, Criterion 3-8, Evaluation Criteria:

Delete:

The response will be evaluated based on the Equity Members and Prime Members' ability to provide evidence to secure the appropriate guarantees. Evidence of guarantee should not be interpreted as a guarantee requirement for the Project.

- A letter of credit for the Project totalling at least $300 million; or
- A performance bond totaling at least $1.0 billion; or,
- A labour and material bond totaling at least $750 million.

The Equity Members and Prime Members can provide individual guarantees whereby the aggregate value of the guarantees will be equivalent to the required total. Should a combination of letters of credit and bonds be chosen, the equivalence factor utilized in the evaluation will be 10 to 1 for the letter of credit (e.g. a $1 million letter of credit will be equivalent to a $10 million bond)

Replace with:

The response will be evaluated based on the Equity Members and Prime Members' ability to provide evidence to secure the appropriate guarantees. Evidence of guarantee should not be interpreted as a guarantee requirement for the Project.

- A letter of credit for the Project totalling at least $300 million;

OR

- A performance bond totaling at least $1.0 billion; **AND**
- A labour and material bond totaling at least $750 million.

The Equity Members and Prime Members can provide individual guarantees whereby the aggregate value of the guarantees will be equivalent to the required total. Should a combination of letters of credit and bonds be chosen, the equivalence factor utilized in the evaluation will be 5 to 1 for the letter of credit (e.g. a $1 million letter of credit will be equivalent to a $5 million bond).

2. at Package 2 – Team Partnering, Criterion 2-2, Response Submission Requirements:

Delete:

civil infrastructure or building projects of a value of at least $500 million which reached substantial completion in 2009 or later; and

Replace with:

civil infrastructure or building projects of a value of at least $500 million which reached substantial completion in 2007 or later; and

3. at Package 3 – Financial Capability and Financing Abilities, Criterion 3-7, Response Submission Requirements:

Delete:

c) Three (3) project descriptions demonstrating the Director of financing's experience with project financing. Each project should have reached financial close in 2010 or later.

Replace with:

c) Three (3) project descriptions demonstrating the Director of financing's experience with project financing. Each project should have reached financial close in 2004 or later.

4. At Package 6 – Bridge and Highway Operations and Maintenance, Criterion 6-3, Page Limits:

Delete :

5 pages for the Project Manager's résumé

5. At Package 6 – Bridge and Highway Operations and Maintenance, Criterion 6-3, Response Submission Requirements:

Delete:

The Respondent should describe bridge and highway O&M activities undertaken by each of the following Key Individuals:

- Project Manager;
- Quality Manager;
- Operations Maintenance and Rehabilitation Manager; and,
- Safety Officer .

Replace with:

The Respondent should describe bridge and highway O&M activities undertaken by each of the following Key Individuals:

- Quality Manager;
- Operations Maintenance and Rehabilitation Manager; and
- Safety Officer.

6. At Package 7 – Tolling Systems Operations and Maintenance, Criterion 7-3, Page Limits:

Delete :

5 pages for the Project Manager's résumé

7. At Package 7 – Tolling Systems Operations and Maintenance, Criterion 7-3, Response Submission Requirements

Delete :

Respondents should describe tolling operations and maintenance activities undertaken by each of the following Key Individuals:

- Project Manager; and,
- Toll Operation Manager.

Replace with:

Respondents should describe tolling operations and maintenance activities undertaken by the following Key Individual:

- Toll Operation Manager.

8. At Appendix B – Mandatory Forms and Certifications, Corporate profile:

Delete:

Respondents must provide a corporate profile that will introduce the Respondent and each Prime Member, Equity Member and the Key Individuals and the roles for each as identified in the Response Declaration Form. This information will not be rated and will be shared with the evaluation committee.

The page limitation for the corporate profile is a maximum ten (10) pages.

Replace with:

Respondents must provide a corporate profile that will introduce the Respondent and each Prime Member, Equity Member and the Key Individuals and the roles for each as identified in the Response Declaration Form. This information will not be rated and will be shared with the evaluation committee.

If the Respondent includes information from a parent company or affiliate for evaluation, then they should describe their corporate relationship with these entities in the Corporate Profile.

The page limitation for the corporate profile is a maximum fifteen (15) pages. Letters of Support from Parent Companies and detailed descriptions of legal relationships are excluded from the fifteen (15) page limit.

9. at Appendix C – Rated Evaluation Criteria

Delete:

1. **Evaluation Criteria Response Instructions:**

   a. In its Response, the Respondent should demonstrate its understanding of the requirements contained in the RFQ and explain how it will meet these requirements. The Respondent should demonstrate its experience and describe its approach for carrying out the Project in a thorough, concise and clear manner.

   b. The Response should address clearly and in sufficient depth the points that are subject to the Evaluation Criteria against which the Response will be evaluated. Simply repeating the statement contained in the RFQ is not sufficient.

   c. Evaluation Criteria will be evaluated against the identified applicable scales. The applicable scales can be found in Appendix D – Applicable Scales for Rated Evaluation Criteria.

Replace with:

1. Evaluation Criteria Response Instructions:

a. In its Response, the Respondent should demonstrate its understanding of the requirements contained in the RFQ and explain how it will meet these requirements. The Respondent should demonstrate its experience and describe its approach for carrying out the Project in a thorough, concise and clear manner.

b. If a Respondent includes information from its Equity Member's parent company for evaluation, the Respondent must submit in its Response a letter of support and the parent company's financial information in accordance with Package 3 – Financial Capability and Financing abilities.

c. If a Respondent includes information from its Prime Member's parent company, subsidiary or affiliate for evaluation purposes, the Respondent must set out in its Response a detailed description of the legal relationship between the Respondent and such parent, subsidiary or affiliate including the current legal relationship between them. A Respondent and its Prime Members may not present the experience, expertise and ability of a parent corporation unless they provide evidence that the parent corporation has the necessary financial guarantees.

d. The Response should address clearly and in sufficient depth the points that are subject to the Evaluation Criteria against which the Response will be evaluated. Simply repeating the statement contained in the RFQ is not sufficient.

e. Evaluation Criteria will be evaluated against the identified applicable scales. The applicable scales can be found in Appendix D – Applicable Scales for Rated Evaluation Criteria.

	Maximum number of different Key Individuals to be listed according to the above				16

11. at Appendix A – Glossary and Definitions

Insert:

Project Manager means the Private Partner's Key Individual who will be wholly responsible for the Private Partner's operations in carrying out activities during the design build phase of the works (design, procurement, prefabrication, construction, correction of deficiencies, delivery and commissioning) and who is authorized to receive, on behalf of the Private Partner, all notices, authorizations, orders, directives, decisions, and any other communications that Canada may send to the Private Partner as part of the Contract.

Tolling Subcontractors can be non-exclusive to one Respondent. Tolling Subcontractors are not considered Prime Members of the Respondent, however will be undertaking more than 40% of the Tolling activities, which include but are not limited to tolling collection, and on site and/or back office operations.

12. At Appendix E – RFQ Standard Instructions. Subsection 13.4

Delete:

13.4 The Respondent must advise the Procurement Authority of the reason for the substitution and provide the name, qualifications and experience of the proposed replacement. For the purposes of this clause, only the following reasons will be considered as beyond the control of the Respondent: death, sickness, maternity and parental leave, retirement, resignation, dismissal for cause or termination of an agreement for default.

Replace with:

13.4 The Respondent must advise the Procurement Authority of the reason for the substitution and provide the name, qualifications and experience of the proposed replacement. For the purposes of this clause, the following reasons will be considered as beyond the control of the Respondent: death, sickness, maternity and parental leave, retirement, resignation, dismissal for cause or termination of an agreement for default. Other circumstances may apply for which consent will not be unreasonably withheld.

13. At Appendix E – RFQ Standard Instructions

Delete:

14.1 A joint venture is an association of two or more parties who combine their money, property, knowledge, expertise or other resources in a single joint business enterprise, sometimes referred as a consortium, to bid together on a requirement. Respondents who bid as a joint venture must indicate clearly that it is a joint venture and provide the following information:

a. the name of each member of the joint venture;
b. the Procurement Business Number of each member of the joint venture;
c. the name of the representative of the joint venture, i.e. the member chosen by the other members to act on their behalf, if applicable;
d. the name of the joint venture, if applicable.

Replace with:

14.1 A joint venture is an association of two or more parties who combine their money, property, knowledge, expertise or other resources in a single joint business enterprise, sometimes referred to as a consortium, to bid together on a requirement. Respondents who bid as a joint venture must indicate clearly that it is a joint venture and provide the following information:

a. the name of each member of the joint venture;
b. the name of the representative of the joint venture, i.e. the member chosen by the other members to act on their behalf, if applicable;
c. the name of the joint venture, if applicable.

14. at subsection 3.4.1 Mandatory Content

Delete:

3.4.1 Mandatory Content – Respondents must submit the following mandatory documents as part of their Response:

Appendix B – Mandatory Forms and Certifications

Package 1: Mandatory Forms and Certifications:

- Response Declaration Form;
- Corporate Profile; and,
- Directors of the Respondent's Team.

Replace with:

3.4.1 Mandatory Content – Respondents must submit the following mandatory documents as part of their Response:

Appendix B – Mandatory Forms and Certifications

Package 1: Mandatory Forms and Certifications:

- Response Declaration Form;
- Corporate Profile; and,
- Directors of the Respondent's Team.

If the required mandatory forms (Response declaration Form, Corporate Profile and Directors of the Respondent's Team) are not duly completed when submitted to Canada, Canada may request that Respondent duly completes them, within a timeframe specified by Canada, and failure by Respondent to do so, will render the Response non-compliant.

15. at 4. Evaluation Procedures, 4.1 Conduct of Evaluation

Delete:

4.1.1 In conducting its evaluation of the Responses, Canada may, but will have no obligation to, do the following:

a) seek clarification or verification from Respondents regarding any or all information provided by them with respect to the Response;

b) conduct reference checks, to be used to verify and validate the Respondent's Response. Information provided by a reference which differs from the information supplied by the Respondent may be considered by evaluators. If the information provided by the Respondent cannot be verified and validated, the information may not be evaluated and the Response may receive no credit for the criterion in question;

c) request specific information with respect to a Respondent's legal status; and,

d) verify any information provided by Respondents through independent research, the use of any government resources or by contacting third parties.

4.1.2 Respondents will be given a time limit to comply with any request related to any of the above items. Failure to comply with the request or within the specified time limit may result in the Response being declared non-compliant.

Replace with:

RESPONSE DECLARATION FORM

1. This form must be executed by the Respondent.

2. By executing this Response Declaration, the Respondent agrees to the provisions of the RFQ and this Response Declaration.

3. All Equity Members, Prime Members and Third Party Experts (Key Individuals) must be listed on this Response Declaration form in order to be considered for Evaluation under Appendix C – Rated Evaluation Criteria. Experience of those not listed in this form will not be evaluated as part of the Response submitted by the Respondent.

[Respondent's Letterhead]

To: Public Works and Government Services Canada
Bid Receiving Unit
Place Bonaventure, portail Sud-Est
800, rue de La Gauchetière Ouest
7 ième étage
Montréal, Québec
H5A 1L6

Attention: NBSL Secretariat

C/O Lisa Wong

The Respondent hereby agrees and acknowledges that:

1. Response

a. This Response Declaration Form has been duly authorized and validly executed; and,

b. The Respondent is bound by all statements and representations in its RFQ Response.

2. Acknowledgements with respect to the RFQ

a) The Respondent:

i. has received, read, examined and understood; and,

ii. agrees to be bound by,

the entire RFQ including all of the terms and conditions, all documents listed in the RFQ "Table of Contents", and all Addenda;

b) By submitting a Response, the Respondent waives any further right to Addenda or clarification of any aspect of the RFQ;

c) The Respondent represents that the person identified below as the Respondent's Representative is fully authorized to represent the Respondent in all matters related to its Response, including but not limited to providing clarifications and additional information that may be requested in association with its Response;

d) The Respondent represents that it does not consider itself to be in conflict of interest or to have an unfair advantage within the meaning of Appendix E – RFQ Standard Instructions, Clause 12, Conflict of Interest – Unfair Advantage; and,

e) The Respondent acknowledges that information provided below will be used to support the evaluation of its Response.

3. Consent of Respondent Team

The Respondent has obtained the express written consent and agreement of each member of the Respondent Team, as listed below, to all the terms of this Response Declaration Form.

4. Language Preference

If invited to participate in Stage 2 Request for Proposals, the Respondent would prefer to receive correspondence and associated procurement documentation in the following language during RFP process.

☐ **English** ☐ **French**

Respondent Team consists of:

Equity Member of a Respondent means an individual, corporation, joint venture, partnership or other legal entity, exclusive to one Respondent for the purposes of the Project, who will have an ownership or equity interest in the Project;

Equity Member(s) (Registered or corporate name)	Address (Registered head office and place of business)	Approx. % of equity participation

*Add rows as applicable

Prime Member means an individual, corporation, joint venture, partnership or other legal entity, exclusive to one Respondent for the purposes of the Project, who has a role which involves:

- 25 % or more of the construction activity **(Construction Prime Member)**; or
- 20 % or more of the design activity **(Design Prime Member)**; or
- 25 % or more of O&M activity **(O&M Prime Member)**.

Prime Member (s) (Registered or corporate name)	Address (Registered head office and place of business)	Specify role (Design, Construction or Operations and Maintenance)	Approx. % of activity related to the role

*Add rows as applicable

Third Party Experts are Key Individuals who are exclusive to one Respondent, **but who are not employees of the Prime or Equity Members** and are proposed as Key Individuals within the Response. The Respondent certifies that it has the permission from these additional individual(s) to propose their services in relation to the Project and to submit their résumé to Canada.

Third Party Experts (Key Individuals who are not employees of the Prime or Equity Members)	Third Party Experts' Company (Registered or corporate name)	Address (Registered head office and place of business)

*Add rows as applicable

If the Tolling Operator is not a Prime Member, please add a Tolling Subcontractor. Tolling Subcontractors can be non-exclusive to one Respondent. Tolling Sub Contractors are not considered Prime Members of the Respondent, however will be undertaking more than 40% of the Tolling activities, which includes, but it not limited to, tolling collection and on site and/or back office operations.

Tolling Subcontractors (Registered or Corporate Name)	Address (Registered Head Office and place of business)
