QUESTION AND ANSWER SERIES 1:

Question 1:

Can you please confirm whether or not there is, or has been over the previous 6 months, a resource performing the services requested in this RFP? If there is such a resource, can you please provide the value of the contract and the service provider?

Answer 1:

There have been numerous contracts related to this project in the past. Most recently, the RCMP had utilized a Contract with SI Systems under PWGSC's ADPS tool that no longer exists. A specific Contract value for previous requirements is not available at this time.
