- **Answer questions**

Question 1:

In connection with the tender, would it be possible to know date/planned start of services?

Answer 1:

The start of services would be June 01, 2014.

Question 2:

On page 8 of 28, Basis of Selection, it is recorded that “the lowest price responsive bid will be recommended for award of a contract”.

The offer price will be the reference for comparing bidders includes all totals in Annex B – Basis of Payment? (either the contract period two years and two periods of one year extension (1. & 2. or is limited to the total of (1.) for only the contractual period of 2 years?)

Answer 2:

Annex B is included as an example as this will form part of the awarded contract. The financial evaluation proposal in Annex F is required to contain prices for the contract period plus the option years. Also find the contract calculation summary table where the total is registered. All amounts will be taken into consideration. There is no reference price; the bids will be compared between tenderers who have qualified in the technical evaluation.
