QUESTIONS AND ANSWERS

Question 6

Can you please clarify that there are to be 6 sample projects in total - not 6 for the artist, and 6 for landscape architect/architect?

Answer 6

Canada confirms that a maximum of 6 comparable projects per Design Team (not per team member) should be provided. As per Rated Criteria #2: "A maximum of six (6)* comparable projects descriptions, previously completed by at least one the Proponent's Design Team member, should be provided [...]Each of the Proponent's Design Team members must have worked on a minimum of one (1) of the projects submitted."

Question 7

Do I need to have a procurement number to make an application, or is it just before the contract is being awarded?

Answer 7

As per clause 6.12, "Proponents are required to have a Procurement Business Number (PBN) before contract award." As such, a PBN is not required at time of submission.

All other terms and conditions remain the same.
