SECTION "I" – SUBMISSION REQUIREMENTS

SR1 INTRODUCTION

SR1.1 Request For Supply Arrangement Proposals

- a. Her Majesty the Queen in right of Canada ("Her Majesty"), represented by the Minister of Foreign Affairs (the "Minister"), is inviting Proponents, by issuance of this Request for Supply Arrangement Proposals (RFSAP), to establish a Supply Arrangement (SA) for the provision of Services described in the Description of Services - Appendix "A" in the attached Draft Supply Arrangement, hereinafter referred to as the "Work", on an "as and when requested" basis for two (2) years with the provision to extend the Supply Arrangement period for two (2) additional one-year periods. It is anticipated that Her Majesty will issue a Supply Arrangement for up to two (2) firms.
- b. Past business volume has been estimated at \$ 750,000.00 per year. This is not to be interpreted as a commitment on the part of Her Majesty for future business volume.
- c. By submitting a proposal, Proponents confirm that they understand that, to ensure fairness openness and transparency in the procurement process, the commission of certain acts or offences will render them ineligible to be awarded a Supply Arrangement (SA). Her Majesty will declare non-responsive any proposal in respect of which the information requested is missing or inaccurate, or in respect of which the information contained in the certifications is found by Her Majesty to be untrue in any respect, at the time of SA award. If it is determined, after SA award, that the Proponent made a false declaration, Her Majesty will, following a notice period, have the right to terminate the SA for default. The Proponent will be required to diligently maintain up-to-date the information requested. The Proponent and any of the Proponent's Affiliates will also be required to remain free and clear of any acts or convictions specified in these Integrity Provisions during the period of any contract resulting from this bid solicitation.
- d. By submitting a Proposal, Proponents confirm that they understand that, to ensure fairness openness and transparency in the procurement process, any conditions to be put forth by the bidders to change the terms of the Supply Arrangement must be presented during the solicitation period. The inclusion of any conditions presented within either the Technical Proposal or Price Proposal may render the Proposal non-compliant.

SR1.2 Supply Arrangement (SA)

A Supply Arrangement (SA) is not a Contract. It is an offer made by an Offeror/Proponent (a Supplier or a Provider) for the provision of certain Services at prearranged prices or a prearranged pricing basis, that is open for acceptance by Her Majesty during a specified period of time. A separate Contract is formed each time a Contract is made against the Supply Arrangement and an Individual Supply Contract for the provision of Services is issued. The conditions of any Individual Supply Contract awarded under the Supply Arrangement will be in accordance with these clauses.

SR1.3 Supply Arrangement Process

- a. The Supply Arrangement method of supply is essentially a two Stage procurement process.
- b. Stage I is the issuance of an RFSAP to Suppliers, and the issuance, following evaluation of the Proposals received in response to the RFSAP in accordance with the terms and conditions of the RFSAP, of one or more SAs to Qualified Supplier(s).
- c. Once the Qualified Supplier(s) has/have been established and an appropriate Supply Arrangement entered into with the Qualified Supplier(s), Stage II begins through the issuance of separate Individual Supply Contracts, on an as-and-when-requested basis for the required Services in accordance with the Supply Arrangement and Her Majesty's procurement policies. These Individual Supply Contracts form a contractual agreement between Her Majesty and the Qualified Supplier(s) for the Services offered.
- d. The Supply Arrangement will be available for use upon signature by Her Majesty and will be effective on the same date. A Supplier will be considered to have been added to the Qualified Suppliers list upon signature of the Supply Arrangement by Her Majesty. The issuance of a Supply Arrangement does not oblige Her Majesty to issue Individual Supply Contracts for any of the Services described in the SA or to spend any monies whatsoever.

SECTION "II" – TECHNICAL PROPOSAL

SR2 TECHNICAL PROPOSAL

Technical Proposals **must not** exceed thirty (30) single-sided pages of 8½" x 11" or A4 paper, minimum typeface 10 pts. All material shall be printed on 8½" x 11" or A4 paper. Material exceeding the thirty (30) page maximum will **NOT** be considered. For the sake of clarity and comparative evaluation, Proponents should respond using the same subject headings and numbering structure in this document. To facilitate evaluation, Proponents should number the pages (bottom right-hand corner) of their Proposals. Any supporting documentation provided in support of the criteria listed below (including resumes etc.) must form part of the thirty (30) pages.

Recent is defined as within the ten (10) years prior to the date in A5 of this RFSAP.

To receive a score above adequate, Proponents should demonstrate project experience more closely related to the required Description of Services (e.g. International projects/experience, innovative seismic retrofit designs, seismic upgrades to heritage structures, cost and scope of project). Also, Proponents should demonstrate geotechnical and geophysical engineering experience is related to the projects presented in the Proponent’s proposal, regardless of whether it was subcontracted out or geotechnical work was performed by someone while in the employ of the Proponent.

SECTION "III" – PRICE PROPOSAL

SR4 PRICE PROPOSAL (30 points)

All the information required in section SR4 must appear on Section "III" - Price Proposal ONLY and submitted in an electronic envelope marked "Price Proposal". Failure to comply will result in the overall Proposal being declared non-compliant and rejected from further consideration. Price Proposals will only be opened after the evaluation of the Technical Proposal is completed.

SR4.1 Ceiling Per Diem Rates and Surcharge Percentage

- 4.1.1 Proponents shall quote all-inclusive *per diem* Rates for each Personnel Type on the form attached as Section "III" – Price Proposal. The *per diems* must include, but not necessarily be limited to, all costs resulting from the performance of the Work as described in this RFSAP, all administration and overhead costs;
- 4.1.2 Proponents shall quote a maximum Surcharge Percentage not to exceed 15% to cover all handling costs associated with administering subcontracted works.
- 4.1.3 All payments shall be made according to the terms of payment set out in the Supply Arrangement and the Draft Contract;
- 4.1.4 Exchange rate fluctuation protection is not offered; and
- 4.1.5 Price Proposals not meeting above requirements will not be given any further consideration.

SR4.2 Taxes & Duties

- a. Her Majesty will pay any resulting Value Added Tax (VAT), provided:
 - i. The VAT amount is applicable to the Work provided by the Proponent to Her Majesty under the Individual Supply Contract. Her Majesty will not be responsible for the payment of any VAT payable by the Consultant to any third party (including subcontractors);
 - ii. Her Majesty is unable to procure an exemption from VAT in respect of the Work;
 - iii. the Proponent agrees to render every reasonable assistance to Her Majesty in obtaining reimbursement of all VAT paid in respect of the Work from the appropriate Government Agency;
 - iv. the VAT is shown separately on all of the Proponent's invoices and progress claims; and
 - v. the Proponent agrees to remit to the appropriate Government Agency any amounts of VAT legally required to be remitted by the Proponent pursuant to applicable tax laws.

SR4.3 Rating

The Proponent's Price score will be determined by the sum of the *Total Weighted Average Per Diems* for all Personnel Types for the purposes provided in Section III – Price Proposal and the Proponent's proposed *Percentage Surcharge score*.

The Per Diem Score will be determined by first taking an average of all Proponents' *Total Weighted Average Per Diems*. Any Proponent's *Total Weighted Average Per Diems* less than 50% of the average of the *Total Weighted Average Per Diems* will score zero (0). Of the remaining Price Proposals, the lowest *Total Weighted Average Per Diems* will score twenty-five (25) points. *Total Weighted Average Per Diems* greater than 150% of the lowest remaining *Total Weighted Average Per Diems* will score zero (0) points. Other prices will be scored in arithmetic proportion as per the following formula:

$$\text{Per Diem Score} = 25 - [(\text{Per Diem} - \text{lowest Per Diem}) \times 25 / (\text{highest Per Diem} - \text{lowest Per Diem})]$$

The Surcharge score will be determined from the *Percentage Surcharge*. The lowest *Percentage Surcharge* will score five (5) points. The highest *Percentage Surcharge* percentage will score zero (0) points. Other *Percentage Surcharges* will be scored in arithmetic proportion as per the following formula:

$$\text{Surcharge Score} = 5 - [(\text{Surcharge} - \text{lowest Surcharge}) \times 5 / (\text{highest Surcharge} - \text{lowest Surcharge})]$$

The Proponent's Price Proposal Score will be the sum of the Per Diem Score and the Surcharge Score as shown in the following example:

Proponent	Total Weighted Per Diem	Per Diem Score	% Surcharge	Surcharge Score	Final Score
ABC Corp	\$ 986.00	17.2	13	1.0	18.2

G12 ENQUIRIES – PROPOSAL SUBMISSION STAGE

All enquiries or issues concerning this RFSAP must be submitted in writing to the Departmental Representative as early as possible within the submission period. Enquiries and issues must be received within the timeframe described in A9 to allow sufficient time to provide a response. Enquiries received after that time will not be answered.

To ensure consistency and quality of information provided to Proponents, the Departmental Representative will give notice, in the same manner as this RFSAP, of any additional information in response to significant enquiries received without revealing the sources of the enquiries.

All enquiries and other communications with Government of Canada officials throughout the submission period shall be in writing and directed ONLY to the Departmental Representative named herein. Non-compliance with this condition during the submission period will (for that reason alone) result in the disqualification of your Proposal.

G13 PROPONENT'S SUGGESTED IMPROVEMENTS DURING SOLICITATION PERIOD

Should any Proponent consider that the Specifications or Description of Services contained in this RFSAP can be improved technically or technologically, the Proponent is invited to make suggestions, in writing, to the Departmental Representative named herein. The Proponent must clearly outline the suggested improvements as well as the reason for the suggestion. Suggestions which do not restrict the level of competition nor favour a particular Proponent will be given consideration provided they are received by the Departmental Representative within the timeframe described in A9 to allow sufficient time to provide a response. Her Majesty reserves the right to accept or reject any or all suggestions. Should Her Majesty accept a suggestion, the changes will be integrated by way of addendum.

G14 PROPOSAL PREPARATION COST

Where Her Majesty intends to reject a Proposal pursuant to a provision of G18, the Departmental Representative will so inform the Proponent and provide the Proponent ten (10) calendar days within which to make representations, prior to making a final decision on the Proposal rejection.

G19 INCURRING OF COST

No costs incurred before receipt of a signed Individual Supply Contract or specified written authorization from the Departmental Representative can be charged to any resulting Individual Supply Contract. In addition, the "Contractor" is not to perform Work in excess of or outside the scope of any resulting Individual Supply Contract based on verbal or written requests or instructions from any government personnel other than the Departmental Representative. **The Proponent's attention is drawn to the fact that the Departmental Representative is the only authority which can commit Her Majesty to the expenditure of the funds for this requirement.**
