Solicitation Amendment N° 6

B: QUESTION AND ANSWER

B: This amendment is raised to answer the following question:

Q 56

Our company, xxx., is a New Bidder on TBIPS. We are planning to submit our 1st bid this month – April 2014 for Solicitation Number: EN578-055605/E – period: 2 EN578-056005/F which closes on 2014-06-30 at 02:00 PM.

Question 1 - If we apply to become an SA Tier 2 qualified supplier and are successful, are we then automatically a SA Tier 1 qualified supplier? Or do we have to submit one bid to become a SA Tier 1 qualified supplier and then once we are notified of the results, then submit a 2nd bid to become a SA Tier 2 qualified supplier?

In Attachment C – Supply Arrangement Technical Evaluation:

- a. In Section M.4 Total Cumulative Value Billed, the tender states “Within the last three years immediately prior to the date of bid submission, the Bidder must have provided Informatics Professional Services to Outside Clients above the following minimum thresholds:”.

Question 2 – If we are submitting our bid in April 2014, then we are expecting to count the Informatics Professional Services revenue for the period April 2010 through March 2013. Have we understood this correctly?

- b. The bidder must submit a list of projects including the billing details such as: Contract/Project Titles, Contract/Project Number, Start Date, End Date, Amount Billed (for Informatics Professional Services only). On this list will be projects that have a start date as late as Jan 2009 and also there will be projects on the list that are still in progress.

Question 3 – Are both conditions acceptable? The revenue reported will only be for the 3 year term as stated in a.

A 56

- 1) Only one bid must be submitted to be qualified for Tier 1 and Tier 2.
- 2) No, the period is from April 2011 to March 2014.
- 3) The start date and end date are for the invoiced billes.
