This Amendment number 012 is raised to respond to the following vendors questions:

Question1:

According to the PWGSC TBIPS website (<http://www.tpsgc-pwgsc.gc.ca/app-acq/sptb-tbps/categories-eng.html>) the specialties for the Programmer/Analyst category do not include PeopleSoft and SAP. These specialties are listed under **the ERP Programmer Analyst category**. Would the Crown please consider amending the RFP to include the ERP Programmer Analyst in the list of resource categories? If not, please confirm the ERP Programmer Analysts required for this project will be requested under the ERP Technical Analyst and/or the ERP Systems Analyst.

Answer 1:

The category experience required for this solicitation is listed within APPENDIX C TO ANNEX A- RESOURCES ASSESSMENT CRITERIA. Please refer to ADDITIONAL KNOWLEDGE AND EXPERIENCE REQUIREMENTS h) and its sub-points in their entirety.

Question 2:

When the RFP was originally released it was clear that the Crown was looking for bidders who were experienced with implementing PeopleSoft and SAP on large scale projects. However, as the requirements have been changed through a number of amendments, it appears as though the Crown is now asking for only the most experienced and expensive resources to be proposed, without a requirement for the Firm or the resources to have successful end-to-end ERP implementation experience. Will the Crown please provide insight to bidders on what has occurred in the last two months to completely change the Crown's requirement?

Answer 2:

The requirement remains the same – the Crown is seeking experienced personnel in the categories and with the knowledge and experience listed in APPENDIX C TO ANNEX A on an "as and when requested" basis. The SOW states the requirement objective.

Question 3:

Will the Crown please clarify for bidders what the overall objectives are with this solicitation going out to market? Through the recent amendments released, it appears that the Crown is no longer looking to undertake SAP implementations as was the case with the originally released RFP requirements. Is the Crown now looking for a staff augmentation vehicle or a Solution Implementation? Is the Crown interested and in need of finding firms that can provide resources with experience delivering solutions? If so, a vehicle that focuses on tasks was utilized and we recommend that the RFP be cancelled and reissued under the SBIPS vehicle.

Answer 3:

The requirement remains the same. Please refer to the SOW section 2. Requirement.

Given the time delay in the closing date (original closing date was February 25), is the Crown now allowing newly qualified TBIPS suppliers on the bidders list since March 2014? If so, please provide the list of suppliers invited to respond to this requirement.

Answer 4:

Only TBIPS SA Holders currently holding a TBIPS SA for Tier 2 in the National Capital Region under the EN578-055605/E series of SAs are eligible to compete.

Question 5:

The removal of the level 2 resource categories will make it increasingly difficult for our firm to be able to submit a financially viable proposal; we request that the Crown revert back to the originally requested Level 2 and Level 3 resources. We also wish to resubmit our request to have Level 1 resources included:

- *Currently all of the roles in the RFP are for Level 2 and Level 3 resources. Based on the scope of work, we would expect that activities within specific resource categories could be delivered by resources with less experience (i.e. Level 1). To allow the work to be delivered as efficiently and economically as possible, would the Crown consider adding Level 1 roles to the following specific resource categories: ERP Functional Analyst, ERP Technical Analyst, Business Architect, Business Transformation Architect, Business Process Re-Engineering Consultant, Change Management Consultant, and Risk Management Specialist?*

Answer 5:

Only Level 3 resources will be considered.

Question 6:

If the solicitation is not cancelled, due to the significant change in the rated requirements (Amendment 11), and the financial evaluations (Amendment 10), would the Crown consider providing a date extension to bidders to revise their proposal and have the needed internal discussions to evaluate the feasibility of submitting a proposal?

Answer 6:

No.

ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.
