### **Solicitation Amendment 001**

This solicitation amendment is raised to include additional insurance requirements.

Refer to the Invitation to Tender document dated 2014-05-08, under section Supplementary Conditions (SC)

Delete: SC03 Environmental Impairment Liability Insurance in its entirety

Insert: SC03 Environmental Impairment Liability Insurance (Revision 1)

#### **SC03 ENVIRONMENTAL IMPAIRMENT LIABILITY INSURANCE (REVISION 1)**

1. The Contractor must obtain Contractors Pollution Liability and Contractors Professional Liability insurance, and maintain it in force throughout the duration of the Contract, in an amount usual for a contract of this nature, but for not less than \$1,000,000 per accident or occurrence and in the annual aggregate.
2. If the policy is written on a claims-made basis, coverage must be in place for a period of at least 12 months after the completion or termination of the Contract.
3. Contractors Pollution Liability and Contractors Professional Liability policy must include the following:
  - a. Additional Insured: Canada is added as an additional insured, but only with respect to liability arising out of the Contractor's performance of the Contract. The interest of Canada as additional insured should read as follows: Canada, represented by Public Works and Government Services Canada.
  - b. Notice of Cancellation: The Insurer will endeavour to provide the Contracting Authority thirty (30) days written notice of policy cancellation.
  - c. Separation of Insureds: The policy must apply to each Insured in the same manner and to the same extent as if a separate policy had been issued to each.
  - d. Contractual Liability: The policy must, on a blanket basis or by specific reference to the Contract, extend to assumed liabilities with respect to contractual provisions.
  - e. Incidental Transit Extension: The policy must extend to losses arising from any waste, products or materials transported, shipped, or delivered via any transportation mode to a location beyond the boundaries of a site at which the Contractor or any entity for which the Contractor is legally liable is performing or has performed the operations described in the contract.
  - f. Lead Removal: The policy must extend coverage to the removal and disposal of lead containing material.

**All other terms and conditions remain unchanged.**
