SOLICITATION AMENDMENT 002

This solicitation amendment is raised to:

1. Provide answer to bidder's questions in relations to the RFP and SOW and to extend the closing date for this solicitation as detailed below;

Q & A - AMD 002

Bid Closing:

Extension to closing date: As a result of the delay in the release of responses to questions, Canada is extending the closing of this solicitation.

Canada will extend the closing date of this RFP.

The closing date has been extended as follows;

From: May, 23, 2014 at 11:59 PM EDT

To: ***May 26, 2014 at 2:00 PM EDT***

Bidders shall note that the Q&A period did end on May 12, 2014; therefore any questions submitted at this time may not be answered by Canada.

Bidders shall also note that Canada is working on the response to the balance of the questions submitted on this solicitation and they will be addressed in Amendment #003 to be issued shortly.

Question #2:

For the "rfp_90_elgin_av-va_system" Document, can you provide a PDF document that can be searched? The current document that is posted is a scan and is not searchable.

Answer #2:

Canada acknowledges the difficulties experienced by the bidders in trying to search the content of the PDF format RFP provided in the original document package. A new PDF format of the RFP is therefore provided for your convenience. (See enclosed)
