Subject: The Canadian Coast Guard Requires an Instructor(s) who can provide Standards of Training Certification and Watch keeping (STCW) Basic Safety and STCW Proficiency in Survival Craft Other Than Fast Rescue Boats training in French.

ADDENDUM NO. 2

Further to the above mentioned Request for Proposal documentation which was posted on Buy and Sell, Addendum (#2) is hereby issued to revise documents in the Request for Proposal.

Please note that the following changes will take place immediately:

Delete:

M1) The bidder/firm must provide a copy of the proof document that the proposed instructor(s) is currently approved by Transport Canada to teach STCW Basic Safety and STCW Proficiency in Survival Craft Other Than Fast Rescue Craft in French.

M2) The proposal must include copies of all of the training material for assessment purposes. Note: The Canadian Coast Guard College is a bilingual institution which must respect the regulations set out in the Official Languages Act. Therefore, all training material used must be in the required language (French).

Insert:

M1) The bidder/firm must provide a copy of the certificate issued by Transport Canada certifying that the proposed instructor(s) is currently approved to teach STCW Basic Safety and STCW Proficiency in Survival Craft Other Than Fast Rescue Craft in French.

M2) The proposal must include copies of all of the training materials in French which will be assessed against the Transport Canada Marine Emergency Duties course outline for compliance.

All other Terms and Conditions for this requirement remain unchanged.

Yours truly,

Dave LaForge
Senior Contracting Officer
