10.3 Upon termination of the Work under subsection 10.1 the Minister may require the Contractor to deliver and transfer title to the Minister, in the manner and to the extent directed by the Minister, in any finished Work which has not been delivered and accepted prior to such termination and in any materials or work-in-process which the Contractor has specifically acquired or produced for the fulfilment of the Contract. The Minister shall pay the Contractor for all such finished Work delivered pursuant to such direction and accepted by the Minister, the cost to the Contractor of such finished Work plus the proportionate part of any fee fixed by the Contract and shall pay or reimburse the Contractor the fair and reasonable cost to the Contractor of all materials or work-in-process delivered to the Minister pursuant to such direction. The Minister may withhold from the amounts due to the Contractor such sums as the Minister determines to be necessary to protect the Minister against excess costs for the completion of the Work.

10.4 The Contractor shall not be entitled to be reimbursed any amount which, taken together with any amounts paid or becoming due to the Contractor under the Contract, exceeds the Contract price applicable to the Work or the particular part thereof.

10.5 If after the Minister issues a notice of termination under 10.1, it is determined by the Minister that the default of the Contractor is due to causes beyond the control of the Contractor, such notice of termination shall be deemed to have been issued pursuant to 9.1 and the rights and obligations of the parties hereto shall be governed by section 9.

11. RECORDS TO BE KEPT BY CONTRACTOR
