This is a solicitation amendment # 003 to a Request for Proposal # EK235-142594, raised to respond to questions.

Question 1

Can we know which firm is your current provider for this mandate?

Response 1

The current provider is “CEM Benchmarking Inc.”

Question 2

Would you please provide additional details regarding what has prompted Public Works Canada to go to market for these services?

Response 2

Public Works and Government Services Canada (PWGSC) requires a comparative perspective with respect to the cost effectiveness and quality of our pension administration services. Such objective insight can only be gained by benchmarking our pension administration services to our peers. Furthermore, such a comparison provides PWGSC with knowledge of industry trends and best practices. Going to market for such services is most cost efficient way to obtain this knowledge and an industry practice.

ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.
