Amendment 001 is raised to remove Annex C as a mandatory requirement and to provide an answer to the following question:

Question 1: If we are offering the part number and NSCM as requested in the RFP, would we still have to provide the two (2) requested samples and complete the Compliance Matrix? Or are samples/Compliance Matrix only required when offering a substitute product?

Answer 1: The two (2) samples along with the compliance matrix are only required when a supplier is offering an alternate/substitute part.
