Q4: Can you elaborate on what you require for the 'Section II: Certifications' submission? Do you only require a statement saying that we comply with the [clauses in Part 5: Certifications] along with our list of directors/owners?

A4: Suppliers are required to submit a current list of directors/owners prior to issuance of a Supply Arrangement (1.1 Integrity Provisions – Associated Information).

In addition, suppliers are requested to certify (written statement) prior to issuance of a Supply Arrangement that they have complied with 1.2.1 Status and Availability of Resources and 1.2.2 Education and Experience.

Q5: Under the heading "Key Personnel Expertise", are we permitted to use the same individual for multiple categories? For example, our Structural engineer has experience in designing bridges which falls under "Structural Engineering" and he also has experience in designing steel sheet piling and piled structures under " Marine Engineering".

A5: Yes, suppliers may propose the same resource for more than one speciality service; however, they are still required to complete both R2 and R3 for each speciality service proposed.

All other terms and conditions remain the same.
