Amendment 002 to Solicitation 21120-148947/A - Cook Chill Bags & Clips

The purpose of this amendment is to:

1. Address a question received from a bidder, with response back from Public Works and Government Services Canada

Question:

The RFSO states the pricing of the bags needs to be offered Delivered Duty Paid (prepaid freight).

Do you know how many bags of each item each location is planning to purchase each order and how often?

If not, do you have an estimate of how often each prison will be ordering? For example, monthly orders (12 times a year) or quarterly orders (4 times a year)?

Answer:

As this is a new requirement, we cannot estimate the quantity for each type of bag beyond the yearly estimates provided in the RFSO. With regard to the frequency of orders, quarterly orders are most likely; however this too is just an estimate made in good faith and does not reflect any commitment on the part of the crown.

All other instructions, terms, conditions, and clauses remain the same. If your bid has already been submitted, and you wish to revise the bid, your revision must reach the bid receiving area before the closing date and time. The bid number and the closing date are to be shown on the first page of your revision.
