

Line from Sea Bay Vent pipe can be removed to this Victaulic location

Drain for FiFi system to be removed with this large pipe from FiFi system. Easiest to remove after deck has been cut and lifted free. May not need to be removed if block can clear the edge of the large pipe. Very close to edge of the hole.

FM 200 Pipe to be removed

Vent and Aux Oil Tank fill pipes to be removed

Old Sewage and grey water drains and potable pipes. Ships crew to remove ASAP
