This solicitation amendment no. 001 is raised to respond to questions pertaining to the RFP, as detailed below:

1. Questions (Q) and Responses (R):

Q1. Can you let us know how many and if pin pads are required?

R1. The Government of Canada requires various devices to support all acceptance methods listed in Annex A, Section 2.2.1 – Scope.

Q2. Will you be unifying your POS devices or will there be various different devices? What will be the breakdown of the devices?

R2. Canada currently rents 998 external pin pads and has no plans to unify its POS devices. For a detailed breakdown of the POS terminals currently employed by the Government of Canada, please refer to Annex A, Appendix 2 – Current Set-Ups and Configurations of Current Card Acceptance Sites.

Q3. Can you please advise on the time frames for contract award?

R3. Canada anticipates awarding any resulting contract at the end of September 2014 pending the Canadian Industrial Security Directorate's (CISD) written approval of the security and privacy requirements outlined in Part 6 – Security, Financial and Other Requirements. The processing must begin only upon receipt of CISD's written approval that the proposed contractor has met the Security and Privacy Requirements outlined in Part 7 – Resulting Contract Clauses – Article 3 Security and Privacy Requirements, of the RFP.
