2.0 PERIOD OF THE CONTRACT

(Delete the following if there are no option periods)

The Contractor hereby grants to Canada the irrevocable option to extend the period of the Contract by up to (indicate number of option years) additional (indicate length of the option) year period(s) under the same terms and conditions. The Contractor agrees that, during the extended period of the Contract, it will be paid in accordance with the applicable terms set out in the Basis of Payment.

Canada may exercise this option at any time by sending a written notice to the Contractor before the end date of the Contract. The option may only be exercised by the Contracting Authority and will be evidenced for administrative purposes only, through an amendment to the Contract.

3.0 BASIS OF PAYMENT

3.1 Canada will pay the Contractor for the satisfactory performance of the agreed to services (select "an amount not to exceed \$_____" for a limitation of expenditure type of contract, or select "an all-inclusive firm lot price of \$_____" for a firm price contract), inclusive of all expenses, customs and duties, and applicable taxes.

3.2 All prices and amounts of money in the Contract are exclusive of the Goods and Services Tax (GST) or Harmonized Sales Tax (HST), whichever is applicable, unless otherwise indicated. GST or HST, to the extent applicable, will be incorporated into all invoices and progress claims for goods supplied or work performed and will be paid by Canada. The Contractor agrees to remit to Canada Revenue Agency any GST or HST paid or due.

3.3 No increase in the total liability of Canada or in the price of Work resulting from any design changes, modifications or interpretations of specifications made by the Contractor will be authorized or paid to the Contractor unless such changes, modifications or interpretations have been approved in writing by the Contracting Authority prior to their incorporation into the Work. The Contractor is not obliged to perform any Work or provide any service that would cause the total liability of Canada to be exceeded without the prior written approval of the Contracting Authority. The Contractor will notify the Project Authority in writing as to the adequacy of this sum:

- (a) when it is seventy five percent (75%) committed, or
- (b) four (4) months prior to the Contract expiry date, or
- (c) if the Contractor considers the funds provided to be inadequate for the completion of the Work, whichever comes first.

GC25. Entire Agreement

- 25.1. The Contract constitutes the entire and only agreement between the Parties and supersedes all previous negotiations, communications and other agreements, whether written or oral, unless they are incorporated by reference in the Contract. There are no terms, covenants, representations, statements or conditions binding on the Parties other than those contained in the Contract.

GC26. Harassment in the Workplace

- 26.1. The Contractor acknowledges the responsibility of Canada to ensure, for its employees, a healthy work environment, free of harassment. A copy of the Policy on the Prevention and Resolution of Harassment in the Workplace, which is also applicable to the Contractor, is available on the Treasury Board Secretariat of Canada website.
- 26.2. The Contractor must not, either as an individual, or as a corporate or unincorporated entity, through its employees or subcontractors, harass, abuse, threaten, discriminate against or intimidate any employee, contractor or other individual employed by, or under contract with, Canada. The Contractor will be advised in writing of any complaint and will have the right to respond in writing. GC27. No Bribe or Conflict

- 27.1. The Contractor declares that no bribe, gift, benefit, or other inducement has been or will be paid, given, promised or offered directly or indirectly to any official or employee of Canada or to a member of the family of such a person, with a view to influencing the entry into the Contract or the administration of the Contract.
- 27.2. The Contractor must not influence, seek to influence or otherwise take part in a decision of Canada knowing that the decision might further its private interest. The Contractor must have no financial interest in the business of a third party that causes or would appear to cause a conflict of interest in connection with the performance of its obligations under the Contract. If such a financial interest is acquired during the period of the Contract, the Contractor must immediately declare it to the Contracting Authority.
- 27.3. The Contractor warrants that, to the best of its knowledge after making diligent inquiry, no conflict exists or is likely to arise in the performance of the Contract. In the event the Contractor becomes aware of any matter that causes or is likely to cause a conflict in relation to the Contractor's performance under the Contract, the Contractor must immediately disclose such matter to the Contracting Authority in writing.
- 27.4. If the Contracting Authority is of the opinion that a conflict exists as a result of the Contractor's disclosure or as a result of any other information brought to the Contracting Authority's attention, the Contracting Authority may require the Contractor to take steps to resolve or otherwise deal with the conflict or, at its entire discretion, terminate the Contract for default. Conflict means any matter, circumstance, interest, or activity affecting the Contractor, its personnel or subcontractors, which may or may appear to impair the ability of the Contractor to perform the Work diligently and independently.

GC28. Government Property

- 28.1. The Contractor must take reasonable and proper care of all Government property while it is in its possession or subject to its control. The Contractor is responsible for any loss or damage resulting from its failure to do so other than loss or damage caused by ordinary wear and tear.

GC31. Powers of Canada

- 31.1. All rights, remedies, powers and discretions granted or acquired by Canada under the Contract or by law are cumulative, not exclusive.

GC32. International Sanctions

- 32.3. The Contractor must comply with changes to the regulations imposed during the period of the Contract. The Contractor must immediately advise Canada if it is unable to perform the Work as a result of the imposition of economic sanctions against a country or person or the addition of a good or service to the list of sanctioned goods or services. If the Parties cannot agree on a work around plan, the Contract will be terminated for the convenience of Canada in accordance with section GC9.

GC33. Transportation Costs

GC34. Contract administration and dispute resolution

- 34.1. In the event that concerns or issues arise regarding the application of the terms and conditions of a contract, or regarding its administration, the Contractor should contact the contracting officer identified in the Contract to schedule a meeting by phone or in person to discuss and/or resolve any disagreements or misunderstandings. After this initial meeting has taken in place, and if needed, contractors will be provided with information on other dispute resolution options available to them such as the Office of the Procurement Ombudsman (OPO) or other appropriate recourses.
- 34.2. At the request and consent of both Parties, the Office of the Procurement Ombudsman may be requested to participate in an alternative dispute resolution process to resolve any dispute between the Parties respecting the interpretation or application of the terms and conditions of the resulting Contract and their consent to bear the costs of such a process. The Office of the Procurement Ombudsman may be contacted by phone at 1-866-734-5169 or by email at boa.opo@boa.opo.gc.ca.

GC35. Transportation Carriers' Liability

- 34.1. The Government of Canada's policy of underwriting its own risks precludes payment of insurance or valuation charges for transportation beyond the point at which ownership of goods passes to the Government of Canada (determined by the FOB point of Incoterms). Where increased carrier liability is available without charge, the Contractor must obtain the increased liability for shipment.

Failure by Canada to act within fifteen (15) days only results in the date specified in TP1.1 of the clause to apply for the sole purpose of calculating interest on overdue accounts.
- 1.7. Notwithstanding any other provision of the Contract, no payment shall be made to the Contractor unless and until, with respect to all parts of the Work in respect of which payment is claimed, the Contractor, where required to do so, establishes to the satisfaction of the Minister that such parts of the Work will be free from all claims, liens, attachments, charges or encumbrances.

The Contractor must report and fully disclose to the Minister all Foreground Information as required by the Contract. If the Contract does not specifically state when and how the Contractor must do so, the Contractor must provide this information when requested by the Minister or a representative of the Minister, whether before or after completion of the Contract.
- 2.2 The Contractor must, in each disclosure under this section, indicate the names of all subcontractors at any tier, if any, who contributed to the development of the Intellectual Property Rights in the Foreground Information.
- 2.3 Before and after final payment to the Contractor, the Contractor must provide the Minister with access to all records and supporting data that the Minister considers pertinent to the identification of Foreground Information.
- 2.4 For any Intellectual Property that was developed or created in relation to the Work, the Minister will be entitled to assume that it was developed or created by Canada, if the Contractor’s records do not list that Intellectual Property or do not indicate that it was created by the Contractor, or by someone on behalf of the Contractor, other than Canada.

3.0 Contractor to Own Intellectual Property Rights in Foreground Information

- 3.1 All Intellectual Property Rights in the Foreground Information belong to the Contractor as soon as they come into existence.
- 3.2 Despite the Contractor’s ownership of all the Intellectual Property Rights in the Foreground Information, Canada has unrestricted ownership rights in any prototype, model, custom or customized system or equipment that is a deliverable under the Contract, including manuals and other operating and maintenance documents. This includes the right to make them available for public use, whether for a fee or otherwise, sell them or otherwise transfer ownership in them.
- 3.3 Any personal information, as defined in the *Privacy Act*, R.S. 1985, c. P-21, collected by the Contractor in the execution of the Work under the Contract becomes the property of Canada immediately upon collection and must be used only for the performance of the Work. The Contractor’s Intellectual Property rights in the Foreground Information are restricted to those capable of being exploited without the use of the information or data supplied by Canada or the personal information. Unless the Contract otherwise expressly provides, the Contractor shall deliver to Canada all such information, data or personal information, together with every copy, draft, working paper and note thereof that contains such information, data, or personal information, upon the completion or termination of the Contract or at such earlier time as the Minister may require.

4.0 Licenses to Intellectual Property Rights in Foreground and Background Information

- 4.1 As Canada has contributed to the cost of developing the Foreground Information, the Contractor hereby grants to Canada a non-exclusive, perpetual, irrevocable, world-wide, fully-paid and royalty-free license to exercise the Intellectual Property Rights in the Foreground Information for Canada’s activities. Subject to any exception described in the Contract, this license allows Canada to do anything that it would be able to do if it were the owner of the Foreground Information, other than exploit it commercially in competition with the Contractor and transfer or assign ownership of it. The Contractor also hereby grants to Canada a license to use the Background Information to the extent that it is reasonably necessary for Canada to exercise fully all its rights in the deliverables and in the Foreground Information. These licenses cannot be restricted in any way by the Contractor providing any form of notice to the contrary, including the wording on any shrink-wrap license or any other kind of packaging, attached to any deliverable.
- 4.2 For greater certainty, Canada’s licenses include, but are not limited to:
 - a. the right to disclose the Foreground and Background Information to third parties bidding on or negotiating contracts with Canada and to sublicense or otherwise authorize the use of that information by any contractor engaged by Canada solely for the purpose of carrying out such contracts. Canada will require these third parties and contractors not to use or disclose that information except as may be necessary to bid on, negotiate or carry out those contracts;

- b. the right to disclose the Foreground and Background Information to other governments for information purposes;
- c. the right to reproduce, modify, improve, develop or translate the Foreground and Background Information or have it done by a person hired by Canada. Canada, or a person designated by Canada, will own the Intellectual Property Rights associated with the reproduction, modification, improvement, development or translation;
- d. without restricting the scope of any license or other right in the Background Information that Canada may otherwise hold, the right, in relation to any custom-designed or custom-manufactured part of the Work, to exercise such of the Intellectual Property Rights in the Background Information as may be required for the following purposes:
- i. for the use, operation, maintenance, repair or overhaul of the custom-designed or custom-manufactured parts of the Work;
 - ii. in the manufacturing of spare parts for maintenance, repair or overhaul of any custom-designed or custom-manufactured part of the Work by Canada if those parts are not available on reasonable commercial terms to enable timely maintenance, repair or overhaul;
- e. for Software that is custom designed for Canada, the right to use any source code the Contractor must deliver to Canada under the Contract and to reproduce, use, modify, improve or translate the Software.
- 4.3 The Contractor agrees to make the Background Information, including in the case of Software, the source code promptly available to Canada for any purpose mentioned above. The license does not apply to any Software that is subject to detailed license conditions that are set out elsewhere in the Contract. Furthermore, in the case of commercial off-the-shelf software, the Contractor’s obligation to make the source code promptly available to Canada applies only to source code that is within the control of or can be obtained by the Contractor or any subcontractor.
- 4.4 Where the Intellectual Property Rights in any Foreground Information are or will be owned by a subcontractor at any tier, the Contractor shall either obtain a license from that subcontractor that permits compliance with subsections IP 4.1 and IP 4.2 or arrange for the subcontractor to convey directly to Canada the same rights by execution of the form provided for that purpose by the Minister, in which case the Contractor shall deliver that form to the Minister, duly completed and executed by the subcontractor, no later than the time of disclosure to Canada of that Foreground Information.
- 4.5 The Contractor represents and warrants that it has the right to grant to Canada the licenses and any other rights to use the Foreground and Background Information. If the Intellectual Property Rights in any Foreground or Background Information are or will be owned by a subcontractor or any other third party, the Contractor must have or obtain promptly a license from that subcontractor or third party to grant promptly any required license directly to Canada.
- 4.6 Any information supplied by Canada to the Contractor for the performance of the Work remains the property of Canada. The Contractor must use Canada’s information only to perform the Contract. If the Contractor wants to use any information owned by Canada for the commercial exploitation or further development of any of the Foreground Information, the Contractor must obtain a license from the Minister. In its request for a license to the Minister, the Contractor must explain why the license is required and how the Contractor intends to use the information. If the Minister agrees to grant a license, its terms will be negotiated between the Contractor and the Minister and may include the payment of a compensation to Canada.
- 5.0 **Transfer or License of Contractor’s Rights**
- 5.1 During the Contract, the Contractor must not sell, transfer, assign or license the Foreground Information without first obtaining the Contracting Authority’s written permission.
- 5.2 After the Contract, the Contractor is not required to obtain Canada’s permission to transfer ownership in the Foreground Information but any transfer must be subject to all Canada’s rights to use the Foreground Information. Furthermore, after the Contract, if the Contractor grants a license or any other right (other than a transfer of ownership) to a third party to use the Foreground Information, the Contractor is not required to notify Canada, but the license or right granted must not affect Canada’s rights in any way. If the Contractor at any time transfers ownership or grants rights in the Foreground Information that interfere in any way with Canada’s rights to use the Foreground Information, the Contractor must, if requested by Canada, immediately take all steps necessary to restore Canada’s rights. If the Contractor is not successful in doing so, within the time reasonably required by Canada, the Contractor must immediately reimburse Canada for all costs Canada incurs to do so itself.
- 5.3 The Contractor shall promptly notify Canada of the name, address and other pertinent information in regard to any transferee (including the conditions of the transfer), assignee or licensee referred to in this subsection and shall ensure that such party is required to do the same with regard to any subsequent transferee, assignee or licensee.
- 5.4 If Canada terminates the Contract in whole or in part for default, or if the Contractor fails to disclose any Foreground Information in accordance with section IP 2.1, the Minister may, by giving notice to the Contractor, require the Contractor to convey to Canada all the Intellectual Property Rights in the Foreground Information or, in the case of a notice based on failure to disclose, all of the Intellectual Property Rights in the Foreground Information not disclosed, including the rights owned by subcontractors. In the case of Intellectual Property Rights in the Foreground Information that have been sold or assigned to a third party, the Contractor must pay to Canada on demand, at Canada’s discretion, the fair market value of the Intellectual Property Rights in the Foreground Information or an amount equal to the payment received by the Contractor from the sale or assignment of the Intellectual Property Rights in the Foreground Information.
- 5.5 In the event of the issuance of a notice by the Minister, the Contractor must, at its own expense and without delay, execute such documents relating to ownership of the Intellectual Property Rights as the Minister may require. The Contractor must, at Canada’s expense, provide all reasonable assistance in the preparation of applications and in the prosecution of any applications for any registration of any Intellectual Property Rights in any jurisdiction, including the assistance of the inventor in the case of an invention.
- 5.6 If the Contractor uses the Foreground Information to develop any new product or any improvement in any existing product, the Contractor agrees that, if Canada wishes to purchase such new or improved product, the Contractor must sell them to Canada at a discount off the lowest price for which it has sold those products to other customers, to recognize Canada’s financial contribution to the development of those products.
- 5.0 **Waiver of Moral Rights**
- 5.1 If requested by Canada, during and after the Contract, the Contractor must provide a written permanent waiver of moral rights, as defined in the Copyright Act, R.S. 1985, c. C-42, from every author that contributes to any Foreground Information subject to copyright protection that is a deliverable to Canada under the Contract. If the Contractor is

an author of the Foreground Information, the Contractor permanently waives the Contractor’s moral rights in that Foreground Information.
