Amendment 001 is raised to answer the following question and incorporate the change:

**Question 1:** I have an inquiry with respect to tender EB144-150311/A: Our company currently has 'Reliability Status' with SNC Lavalin and I am inquiring as to whether or not this is an adequate clearance to meet this project?

**Answer to Question 1:** No, reliability status clearance with SNC Lavalin does not meet the security clearance requirements for this requirement (EB144-150311/A). Reliability status clearance for this requirement must be obtained from PWGSC's Canadian Industrial Security Directorate (CISD) as indicated in the SUPPLEMENTARY CONDITIONS (SC01) of the Invitation to tender document.

Bidders and subcontractors that currently do not meet any of the security requirements identified in this tender should initiate a security screening process request via e-mail to [chukwudi.chinye@pwgsc.gc.ca](mailto:chukwudi.chinye@pwgsc.gc.ca)
