PART 1 - GENERAL INFORMATION

1. Introduction

Agriculture and Agri-Food Canada's Horticulture Research and Development Centre at 430 Gouin Boulevard, St-Jean-sur-Richelieu, and to the L'Acadie Experimental Farm at 1134 Route 219, St-Jean-sur-Richelieu, has a requirement for a company to provide plumbing services

2. Summary

The purpose of this Request for Standing Offer (RFSO) is to have an Offeror to enter an agreement with AAFC to issue Departmental Individual Standing Offer (SO) to obtain the services described in the Statement of Work - Appendix "A", in the province Quebec.

The total budget for the SOs will be approximately \$120,000.00 (Goods and Services tax or Harmonized sales tax not included).

The period for rendering services against the Plumbing Standing Offer is from the date of award of the Standing Offer to July 31, 2015. If the Standing Offer is authorized for use beyond the initial period, the Offeror offers to extend its offer for three (3) additional periods of one (1) year each, from August 1st, 2015 to July 31st, 2016, then, from August 1st, 2016 to July 31st, 2017 and from August 1st, 2017 to July 31st, 2018 under the same conditions and at the rates or prices specified in the Standing Offer, or at the rates or prices calculated in accordance with the formula specified in the Standing Offer.

3. Debriefings

After issuance of an SO, Offerors may request a debriefing on the results of the RFSO process. Offerors should make the request to the SO Authority within 15 working days of receipt of the results of the RFSO process. The debriefing may be in writing or by telephone.

PART 2 - OFFEROR INSTRUCTIONS

1. Instructions, Clauses and General Conditions

This part contains general information on AAFC's requirements and general instructions for the preparation and submission of an offer.

One method of supply used by Agriculture and Agri-Food Canada (AAFC) to satisfy the requirements of our programs is to arrange with suppliers to submit a RFSO for the provision of services during a specified period. With the completed RFSO, AAFC is authorized to make call-ups against the SO detailing the exact level of services they wish to order at a particular time during the effective period of the SO, in accordance with the predetermined conditions.

The process normally starts with a RFSO that suppliers may obtain through the Government Electronic Tendering Service (buyandsell.gc.ca). A RFSO is an invitation to suppliers to provide an offer to AAFC. The level of services and estimated expenditure that will be specified in the SO are only an approximation of requirements given in good faith.

A RFSO does not commit AAFC to authorize the utilization of an SO or to obtain services or issue a subsequent Contract to this effect.

A SO is not a contract. The issuance by AAFC of a call-up against the SO to successful suppliers becomes the contract with Canada for any or all of the services requested. AAFC may issue one or several call-ups against an SO, up to the maximum amount of the SO.

Instructions, clauses and conditions identified in the RFSO and the call-up(s) by number, date and title are part of the RFSO, the SO and any resulting Contract as though they were expressly set.

2. Certifications

- 2.1. Offerors must respond to Requests for Standing Offers (RFSOs) in an honest, fair and comprehensive manner, must accurately reflect their capacity to satisfy the requirements stipulated in the RFSO and resulting SO and call-ups, and submit offers and enter into contracts only if they will fulfill all obligations of the call-up. To ensure fairness, openness and transparency in the procurement process, the following activities are prohibited:
 - 2.1.1. payment of a contingency fee to a person to whom the [Lobbying Act](#) (R.S.C. 1985, c. 44 (4th Supp.)) applies;
 - 2.1.2. corruption, collusion, bid-rigging or any other anti-competitive activity in the procurement process.
- 2.2. By submitting an offer, the Offeror certifies that except for those offences where a criminal pardon has been obtained or leniency granted, neither the Offeror nor any of the Offeror's parent, subsidiaries or other affiliates has ever been convicted of a criminal offence in respect of the activities stated in (2.1.1) or (2.1.2) above or is the subject of outstanding criminal charges in respect of such activities filed subsequent to September 1, 2010.
- 2.3. Offerors further understand that the commission of certain offences will render them ineligible to be issued a contract. By submitting an offer, the Offeror certifies that except for those offences where a criminal pardon has been obtained, neither the Offeror nor any of the Offeror's parent, subsidiaries or other affiliates has ever been convicted or is the subject of outstanding criminal charges in respect of an offence under any of the following provisions:
 - 2.3.1. section 121 (Frauds on the government and Contractor subscribing to election fund), section 124 (Selling or purchasing office), section 380 (Fraud) or section 418 (Selling defective stores to Her Majesty) of the *Criminal Code*, or under paragraph 80(1)(d) (False entry, certificate or return) subsection 80(2) (Fraud against Her Majesty) or section 154.01 (Fraud against Her Majesty) of the *Financial Administration Act*.
- 2.4. For the purpose of this section, business concerns, organizations or individuals are Offeror's affiliates if, directly or indirectly, 1) either one controls or has the power to control the other, or 2) a third party has the power to control both. Indicia of control, include, but are not limited to, interlocking management or ownership, identity of interests among family members, shared facilities and equipment, common use of employees, or a business entity created following the charges or convictions contemplated in this section which has the same or similar management, ownership, or principal employees as the Offeror that is charged or convicted, as the case may be.
- 2.5. The SO Authority will declare non-responsive any offer in respect of which the information contained in the certifications contemplated above is determined to be untrue in any respect by the SO Authority.

- 2.6. In circumstances where an Offeror or any of the Offeror's parent, subsidiaries or other affiliates has pled guilty of an offence contemplated in subsections 1 and 3, the Offeror must provide with its offer, a certified copy of confirming documentation from the Competition Bureau of Canada indicating that leniency has been granted, or a certified copy of confirming documentation from the National Parole Board indicating that a criminal pardon has been obtained, in relation to such offences.
- 2.7. The Offeror or any of the Offeror's parent, subsidiaries or other affiliates must remain free and clear of any charges or convictions contemplated in subsections 1 and 3 during the period of any resulting SO arising from this RFSO and any call-up made under the SO.

3. Definition of Offeror

- 3.1. "Offeror" means the person or entity (or, in the case of a joint venture, the persons or entities) submitting an offer to provide goods, services or both under a call-up resulting from an SO. It does not include the parent, subsidiaries or other affiliates of the Offeror, or its subcontractors.

4. Submission of Offers

- 4.1. Canada requires that each offer, at closing date and time or upon request from the SO Authority, be signed by the Offeror or by an authorized representative of the Offeror. If an offer is submitted by a joint venture, it must be in accordance with, PART 2, section 15 of the RFSO.
- 4.2. It is the Offeror's responsibility to:
 - 4.2.1 obtain clarification of the requirements contained in the RFSO, if necessary, before submitting an offer;
 - 4.2.2 prepare its offer in accordance with the instructions contained in the RFSO;
 - 4.2.3 submit a complete offer by closing date and time;
 - 4.2.4 send its offer only to AAFC Bid Receiving Unit specified on page 1 of the RFSO or to the address specified in the RFSO;
 - 4.2.5 ensure that the Offeror's name, return address, the RFSO number, and the RFSO closing date and time are clearly visible on the envelope or the parcel(s) containing the offer; and
 - 4.2.6 provide a comprehensible and sufficiently detailed offer, including all requested pricing details that will permit a complete evaluation in accordance with the criteria set out in the RFSO.
- 4.3. If Canada has provided Offerors with multiple formats of a document (for example, a document may be downloaded through the Government Electronic Tendering Service (buyandsell.gc.ca) but may also be made available on CD-ROM through buyandsell.gc.ca, the format downloaded through buyandsell.gc.ca will take precedence. If Canada posts an amendment to the RFSO revising any documents provided to Offerors in multiple formats, Canada will not necessarily update all formats to reflect these revisions. It is the Offeror's responsibility to ensure that revisions made through any RFSO amendment issued through buyandsell.gc.ca are taken into account in the alternate formats it uses of RFSO documents.
- 4.4. Offers will remain open for acceptance for a period of not less than sixty (60) days from the closing date of the RFSO, unless specified otherwise in the RFSO. Canada reserves the right to seek an extension of the offer validity period from all responsive Offerors in writing, within a minimum of three (3) days before the end of the offer validity period. If the extension of the validity period is accepted by all responsive Offerors, Canada will continue with the evaluation of the offers. If the extension is

not accepted by all responsive Offerors, Canada will, at its sole discretion, either continue with the evaluation of the offers of those who have accepted the extension or cancel the RFSO.

- 4.5. Offers and supporting information may be submitted in either English or French.
- 4.6. Offers received on or before the stipulated RFSO closing date and time will become the property of Canada and will not be returned. All offers will be treated as confidential, subject to the provisions of the [Access to Information Act](#) (R.S.C. 1985, c. A-1) and the [Privacy Act](#) (R.S.C. 1985, c. P-21).
- 4.7. Unless specified otherwise in the RFSO, Canada will evaluate only the documentation provided with an Offeror's offer. Canada will not evaluate information such as references to web site addresses where additional information can be found, or technical manuals or brochures not submitted with the offer.
- 4.8. An offer cannot be assigned or transferred in whole or in part.

5. Late Offers

- 5.1. AAFC will return offers delivered after the stipulated RFSO closing date and time, unless they qualify as a delayed offer as described below.

6. Delayed Offers

- 6.1. An offer delivered to the specified Bid Receiving Unit after the closing date and time but before the SO issuance date may be considered, provided the Offeror can prove the delay is due solely to a delay in delivery that can be attributed to the Canada Post Corporation (CPC) (or national equivalent of a foreign country). Purolator Inc. is not considered to be part of CPC for the purposes of delayed offers. The only pieces of evidence relating to a delay in the CPC system that are acceptable to AAFC are:

- a. a CPC cancellation date stamp or
- b. a CPC Priority Courier bill of lading or
- c. a CPC Xpresspost label

which clearly indicate that the offer was mailed before the RFSO closing date.

- 6.2. Misrouting, traffic volume, weather disturbances, labour disputes or any other causes for the late delivery of offers are not acceptable reasons for the offer to be accepted by AAFC.
- 6.3. Postage meter imprints, whether imprinted by the Offeror, the CPC or the postal authority outside Canada, are not acceptable as proof of timely mailing.

7. Electronic Transmission or Facsimile

- 7.1. Offers submitted by facsimile or other electronic means will not be accepted by AAFC

8. Legal Capacity

- 8.1 The Offeror must have the legal capacity to enter into a contract. If the Offeror is a sole proprietorship, a partnership or a corporate body, the Offeror must provide, if requested by the SO Authority, a statement and any requested supporting documentation indicating the laws under which

it is registered or incorporated together with the registered or corporate name and place of business. This also applies to Offerors submitting an offer as a joint venture.

9. Rights of Canada

9.1. Canada reserves the right to:

- a. reject any or all offers received in response to the RFSO;
- b. enter into negotiations with Offerors on any or all aspects of their offers;
- c. authorize for utilization any offer in whole or in part without negotiations;
- d. cancel the RFSO at any time;
- e. reissue the RFSO;
- f. if no responsive offers are received and the requirement is not substantially modified, reissue the RFSO by inviting only the Offerors who submitted an offer to resubmit offers within a period designated by Canada; and,
- g. negotiate with the sole responsive Offeror to ensure best value to Canada.

10. Rejection of Offer

10.1. Canada may reject an offer where any of the following circumstances is present:

- a. the Offeror is subject to a Vendor Performance Corrective Measure, under the Vendor Performance Corrective Measure Policy, which renders the Offeror ineligible to submit an offer for the requirement;
- b. an employee, or subcontractor included as part of the offer, is subject to a Vendor Performance Corrective Measure, under the Vendor Performance Corrective Measure Policy, which would render that employee or subcontractor ineligible to submit an offer for the requirement, or the portion of the requirement the employee or subcontractor is to perform;
- c. the Offeror is bankrupt or where, for whatever reason, its activities are rendered inoperable for an extended period;
- d. evidence, satisfactory to Canada, of fraud, bribery, fraudulent misrepresentation or failure to comply with any law protecting individuals against any manner of discrimination, has been received with respect to the Offeror, any of its employees or any subcontractor included as part of the offer;
- e. evidence satisfactory to Canada that based on past conduct or behaviour, the Offeror, a subcontractor or a person who is to perform the Work is unsuitable or has conducted himself improperly;
- f. with respect to current or prior transactions with the Government of Canada:
 - i. Canada has exercised its contractual remedies of suspension or termination for default with respect to a contract with the Offeror, any of its employees or any subcontractor included as part of the offer;
 - ii. Canada determines that the Offeror's performance on other contracts, including the efficiency and workmanship as well as the extent to which the Offeror performed the Work in accordance with contractual clauses and conditions, is sufficiently poor to jeopardize the successful completion of the requirement being bid on.

10.2. Where Canada intends to reject an offer pursuant to a provision of subsection 1(f), the SO Authority will so inform the Offeror and provide the Offeror ten (10) days within which to make representations, before making a final decision on the offer rejection.

- 10.3. Canada reserves the right to apply additional scrutiny, in particular, when multiple offers are received in response to a RFSO from a single Offeror or a joint venture. Canada reserves the right to:
- a. reject any or all of the offers submitted by a single Offeror or joint venture if their inclusion in the evaluation has the effect of prejudicing the integrity and fairness of the process, or;
 - b. reject any or all of the offers submitted by a single Offeror or joint venture if their inclusion in the procurement process would distort the solicitation evaluation, and would cause a result that would not reasonably have been expected under prevailing market conditions and/or would not provide good value to Canada.

11. Communications - Solicitation Period

To ensure the integrity of the competitive RFSO process, enquiries and other communications regarding the RFSO must be in writing only to the SO Authority identified below:

Saad Ibrahimy
saad.ibrahimy@agr.gc.ca

12. Request for Information

All enquiries must be submitted in writing to the SO Authority no later than two (2) calendar days before the Request for Standing Offers (RFSO) closing date. Enquiries received after that time may not be answered.

Offerors should reference as accurately as possible the numbered item of the RFSO to which the enquiry relates. Care should be taken by Offerors to explain each question in sufficient detail in order to enable Canada to provide an accurate answer.

Enquiries not submitted in a form that can be distributed to all Offerors may not be answered by Canada.

12.1. To ensure consistency and quality of information provided to Offerors, significant inquiries received and the responses to those requests will be provided simultaneously on buyandsell.gc.ca to all Offerors who have downloaded the RFSO without the name of the author of the inquiries mentioned.

12.1.1. Failure to comply with the requirements mentioned above could result in the offer being declared non-responsive.

12.2. Amendment of RFSO:

12.2.1. To ensure consistency and quality of information provided to Offerors, any amendment to the RFSO will be posted on buyandsell.gc.ca. A notification of amendment will be provided simultaneously by buyandsell.gc.ca to Offerors who have downloaded the present RFSO.

12.2.2. It is the Offeror's responsibility to ensure that their profile on buyandsell.gc.ca is up to date.

13. Offer Costs

No payment will be made for costs incurred in the preparation and submission of an offer in response to the RFSO. Costs associated with preparing and submitting an offer, as well as any costs incurred by the Offeror associated with the evaluation of the offer, are the sole responsibility of the Offeror.

14. Conduct of Evaluation

14.1. In conducting its evaluation of the offers, Canada may, but will have no obligation to, do the following:

- a. seek clarification or verification from Offerors regarding any or all information provided by them with respect to the RFSO;
- b. contact any or all references supplied by Offerors to verify and validate any information submitted by them;
- c. request, before issuance of any SO, specific information with respect to Offerors' legal status;
- d. conduct a survey of Offerors' facilities and/or examine their technical, managerial, and financial capabilities to determine if they are adequate to meet the requirements of the RFSO;
- e. correct any error in the extended pricing of offers by using unit pricing and any error in quantities in offers to reflect the quantities stated in the RFSO; in the case of error in the extension of prices, the unit price will govern;
- f. verify any information provided by Offerors through independent research, use of any government resources or by contacting third parties; and
- g. interview, at the sole costs of Offerors, any Offeror and/or any or all of the resources proposed by Offerors to fulfill the requirement of the RFSO.

14.2. Offerors will have the number of days specified in the request by the SO Authority to comply with any request related to any of the above items. Failure to comply with the request may result in the offer being declared non-responsive.

15. Joint Venture

15.1. A joint venture is an association of two or more parties who combine their money, property, knowledge, expertise or other resources in a single joint business enterprise, sometimes referred to as a consortium, to submit an offer together on a requirement. Offerors who submit an offer as a joint venture must indicate clearly that it is a joint venture and provide the following information:

- a. the name of each member of the joint venture;
- b. the Procurement Business Number of each member of the joint venture;
- c. the name of the representative of the joint venture, i.e. the member chosen by the other members to act on their behalf, if applicable;
- d. the name of the joint venture, if applicable.

15.2. If the information is not clearly provided in the offer, the Offeror must provide the information on request from the SO Authority.

15.3. The offer and any resulting SO must be signed by all the members of the joint venture unless one member has been appointed to act on behalf of all members of the joint venture. The SO Authority may, at any time, require each member of the joint venture to confirm that the representative has been appointed with full authority to act as its representative for the purposes of the RFSO and any resulting SO. If an SO is issued to a joint venture, all members of the joint venture will be jointly and severally or solidarily liable for the performance of any Contract resulting from a call-up against the SO.

16. Conflict of Interest - Unfair Advantage

16.1. In order to protect the integrity of the procurement process, Offerors are advised that Canada may reject an offer in the following circumstances:

- a. if the Offeror, any of its subcontractors, any of their respective employees or former employees was involved in any manner in the preparation of the RFSO or in any situation of conflict of interest or appearance of conflict of interest;
- b. if the Offeror, any of its subcontractors, any of their respective employees or former employees had access to information related to the RFSO that was not available to other Offerors and that would, in Canada's opinion, give or appear to give the Offeror an unfair advantage.

16.2. The experience acquired by an Offeror who is providing or has provided the goods and services described in the RFSO (or similar goods or services) will not, in itself, be considered by Canada as conferring an unfair advantage or creating a conflict of interest. This Offeror remains however subject to the criteria established above.

16.3. Where Canada intends to reject an offer under this section, the SO Authority will inform the Offeror and provide the Offeror an opportunity to make representations before making a final decision. Offerors who are in doubt about a particular situation should contact the SO Authority before the RFSO closing date. By submitting an offer, the Offeror represents that it does not consider itself to be in conflict of interest nor to have an unfair advantage. The Offeror acknowledges that it is within Canada's sole discretion to determine whether a conflict of interest, unfair advantage or an appearance of conflict of interest or unfair advantage exists.

17. Entire Requirement

The RFSO contains all the requirements relating to this request for offers. Any information or documentation provided to or obtained by an Offeror from any other source is not relevant. Offerors should not assume that practices used under previous contracts will continue, unless they are described in this RFSO. Offerors should also not assume that their existing capabilities meet the requirements of this RFSO simply because they have met the requirements of previous RFSOs.

18. Applicable Laws

The SO and any Contract resulting from the RFSO must be interpreted and governed, and the relations between the parties determined, by the laws in force in the province of Quebec.

PART 3 - OFFER PREPARATION INSTRUCTIONS

1. Offer Preparation Instructions

The offer must be completed and signed by the Offeror or an authorized officer of the Offeror.

The signature of the Offeror indicates acceptance of the conditions for an eventual SO as stipulated in the RFSO.

2. Joint Venture

An offer submitted by a joint venture must be signed by all members of the joint venture.

If an SO is issued to a joint venture, all members of the joint venture will be jointly and severally or solidarily liable for the performance of any contract resulting from a call-up against the SO.

3. Offer Preparation Instructions

Canada requests that Offerors provide their offer in separately bound sections as follows:

Section I: Mandatory Technical Requirements, 2 hard copies

Section II: Financial Offer, 2 hard copies

Section III: Certification, 1 hard copy

Canada requests that Offerors follow the format instructions described below in the preparation of their offer:

- a. use 8.5 x 11 inch (216 mm x 279 mm) paper;
- b. use a numbering system that corresponds to that of the RFSO.

In April 2006, Canada issued a policy directing federal departments and agencies to take the necessary steps to incorporate environmental considerations into the procurement process (Policy on Green Procurement: <http://www.tpsgc-pwgsc.gc.ca/ecologisation-greening/achats-procurement/politique-policy-eng.html>). To assist Canada in reaching its objectives, Offerors are encouraged to:

1. use paper containing fibre certified as originating from a sustainably-managed forest and/or containing a minimum of 30% recycled content; and
2. use an environmentally-preferable format including **black and white printing instead of colour printing, printing double sided/duplex, using staples or clips** instead of Cerlox, duo tangs or binders.

4. Section I: Mandatory Technical Requirements

- a. Type of legal entity;
- b. the name of the official and if different, contact name of the company;
- c. the address, telephone, fax number, e-mail address of the company; and
- d. the reference number of this RFSO: 01B48-14-0048.

4.1 Identification of the Offeror

- a. Since the Offeror submitting a winning proposal will be called upon to sign the prospective SO agreement with AAFC for the provision of the services set out in the Statement of Work - Appendix "A", it is important to properly identify the nature of the Offeror.
- b. If a firm is submitting the proposal, EACH employee offering the services under the SO must comply with the requirements in the Mandatory Requirements Section of the RFSO.
- c. The firm shall also list separately in its offer all employees being proposed to provide the services.

5. Section II: Financial Offer

Offerors must submit their financial offer by completing and signing Parts “A” and “B” of Appendix “B” - Basis of Payment. Goods and Services Tax or Harmonized Sales Tax must not be included in the rates submitted.

Offerors must submit a rate for the service identified in Part A of Appendix “B”, for each working time period and use the same rates to complete the calculation in Part B of Appendix “B”. Only greyed out boxes should be left blank.

6. Section III: Certification

Offerors must submit the certifications required under Part 5.

AAFC reserves the right to verify statements made by the Offeror regarding its certificates during the RFSO evaluation (before the award of the SO) and after the award of the SO.

PART 4 - EVALUATION PROCEDURES AND BASIS OF SELECTION

1. Evaluation Procedures

- a. Offers will be assessed in accordance with the requirements of the RFSO, including the technical evaluation, financial evaluation and mandatory certification.
- b. An evaluation team composed of representatives of Canada will evaluate the offers.

2. Mandatory Technical Requirements

Only Offerors with experience at maintenance and installation of plumbing systems in large institutional/commercial buildings will be considered qualified for this work. All plumbing work must be performed by journeymen plumbers.

Offerors must employ on a full time basis and be capable of supplying all skilled labour, trades and services, as per the attached Appendix “B” - Basis of Payment. Offerors will offer 24 hour emergency service.

Proposed Personnel:

In order to demonstrate that the proposed personnel possess the qualifications specified above, Offerors must provide a list of licensed journeyman plumbers in their present employ that would be sent to the site to perform any part of the general scope of work. List the employees name, license number and years of experience as a journeyman. All proposed employees must have a minimum of two (2) years' experience in related work as journeymen (a copy of curriculum vitae).

Failure to provide sufficient details may result in an offer being evaluated as non-responsive.

3. Financial Evaluation

A financial evaluation of the rates proposed by the Offeror in Part A of Appendix “B” will be performed as per Part B of Appendix “B”. The rates submitted in the offer shall be in Canadian dollars, the Goods and Services Tax or the Harmonized Sales Tax excluded, FOB destination, Canadian custom duties and excise taxes included.

4. Method of Selection

An offer must comply with the requirements of the Request for Standing Offers to be declared responsive. The responsive offer with the lowest evaluated price will be recommended for issuance of a standing offer.

PART 5 - MANDATORY CERTIFICATIONS

1. Certifications Precedent to Issuance of a Standing Offer

Offerors must have the required certifications to be issued an SO. Canada will declare an offer non-responsive if the required certifications are not completed and submitted as requested.

The certifications Offerors provide to Canada are subject to verification by Canada both during the offer evaluation period (before issuance of an SO) and after issuance of an SO. The SO Authority has the right to ask for additional information to verify Offerors' certifications before issuance of an SO. The offer will be declared non-responsive if any certification claimed by the Offeror is untrue, whether knowingly or unknowingly. Failure to comply with the certifications, to provide the related documentation or to comply with the request of the Standing Offer Authority for additional information will also render the offer non-responsive.

2. Certifications

Form A contains the attestation listed below and must be completed and submitted with the offer, section III.

AAFC will declare the offer non-responsive if the certifications are not filed or supplemented as required.

- 1.1 Former Public Servant Certification
- 1.2 Former Public Servant in Receipt of a Pension
- 1.3 Work Force Reduction Program

Form B

For legal and ethical reasons, Offerors are not obligated to complete Form B "Personnel Screening Consent and Authorization Form" (tbs/sct 330-23e) available at <http://www.tbs-sct.gc.ca/tbsf-fsct/330-23-eng.asp> at this point in the tender process. However, once the technical evaluation teams have evaluated the received proposals and have selected the winning offers, this requirement will become mandatory. Successful clearance by AAFC's Security Services is a mandatory condition before AAFC contracting authorities can award an SO.

However, Offerors have the option to complete Form B at their sole discretion at this point. Should a Offeror decide to complete the required information and is selected by the technical evaluation team, *the initiative will only accelerate the due diligence process by 2 or 3 weeks*. Regardless of the option chosen by the Offeror, their decision has no bearing or influence on the technical team's evaluation.

Form C: Subcontracting Form

PART 6 - INSURANCE REQUIREMENTS

1. Insurance requirements

The Contractor is responsible for deciding if insurance coverage is necessary to fulfill its obligation under the contract and to ensure compliance with any applicable law. Any insurance acquired or maintained by the Offeror is at its own expense and for its own benefit and protection. It does not release the Offeror from or reduce its liability under the contract.

PART 7 - STANDING OFFER AND RESULTING CONTRACT CLAUSES

A. STANDING OFFER

1. Offer

The Offeror offers to fulfill the requirement in accordance with the Statement of Work at Appendix "A".

2. Clauses and General Conditions

The General Conditions of the SOs "Appendix D" and General Condition- Call-Up "Appendix C" as well as all clauses identified in the SO and in the call-up, apply to and form part of the SO agreement.

3. Period of the Standing Offer

It is essential that the Work be performed within or at the time stated in the contract.

GC8. Excusable Delay

- 8.1 Any delay by the Contractor in performing the Contractor's obligations under the contract which occurs without any fault or neglect on the part of the Contractor, its subcontractors, agents or employees or is caused by an event beyond the control of the Contractor, and which could not have been avoided by the Contractor without incurring unreasonable cost through the use of work-around plans including alternative sources or other means, constitutes an excusable delay.

- 8.2 The Contractor shall give notice to the Minister immediately after the occurrence of the event that causes the excusable delay. The notice shall state the cause and circumstances of the delay and indicate the portion of the Work affected by the delay. When requested to do so by the Minister, the Contractor shall deliver a description, in a form satisfactory to the Minister, of work-around plans including alternative sources and any other means that the Contractor will utilize to overcome the delay and endeavour to prevent any further delay. Upon approval in writing by the Minister of the work-around plans, the Contractor shall implement the work-around plans and use all reasonable means to recover any time lost as a result of the excusable delay.
- 8.3 Unless the Contractor complies with the notice requirements set forth in the contract, any delay that might have constituted an excusable delay shall be deemed not to be an excusable delay.
- 8.4 If an excusable delay has continued for thirty (30) days or more, Canada may, by giving notice in writing to the Contractor, terminate the contract. In such a case, the Parties agree that neither will make any claim against the other for damages, costs, expected profits or any other loss arising out of the termination or the event that contributed to the excusable delay. The Contractor agrees to repay immediately to Canada the portion of any advance payment that is unliquidated at the date of the termination.
- 8.5 Unless Canada has caused the delay by failing to meet an obligation under the contract, Canada will not be responsible for any cost incurred by the Contractor or any subcontractors or agents as a result of an excusable delay.
- 8.6 If the contract is terminated under this section, Canada may require the Contractor to deliver to Canada, in the manner and to the extent directed by Canada, any completed parts of the Work not delivered and accepted before the termination and anything that the Contractor has acquired or produced specifically to perform the contract. Canada will pay the Contractor:
- (a) the value of all completed parts of the Work delivered to and accepted by Canada, based on the contract price, including the proportionate part of the Contractor's profit or fee included in the contract price; and
 - (b) the cost to the Contractor that Canada considers reasonable in respect of anything else delivered to and accepted by Canada.
- 8.7 The total amount paid by Canada under the contract to the date of termination and any amounts payable under this subsection must not exceed the contract price.

GC9. Termination of Convenience

- 9.1 Notwithstanding anything in the contract, the Minister may, by giving notice to the Contractor, terminate or suspend the contract immediately with respect to all or any part or parts of the Work not completed.
- 9.2 All Work completed by the Contractor to the satisfaction of Canada before the giving of such notice shall be paid for by Canada in accordance with the provisions of the contract and, for all Work not completed before the giving of such notice, Canada shall pay the Contractor's costs as determined under the provisions of the contract in an amount representing a fair and reasonable fee in respect of such Work.
- 9.3 In addition to the amount which the Contractor shall be paid under section GC9.2, the Contractor shall be reimbursed for the Contractor's cost of and incidental to the cancellation of obligations incurred by the Contractor pursuant to such notice and obligations incurred by or to which the Contractor is subject with respect to the Work.

- 9.4 The Contractor shall have no claim for damages, compensation, loss of profit, allowance or otherwise by reason of or directly or indirectly arising out of any action taken or notice given by Canada under the provisions of section GC9 except as expressly provided therein.
- 9.5 Upon termination of the contract under section GC9.1, Canada may require the Contractor to deliver and transfer title to Canada, in the manner and to the extent directed by Canada, any finished Work which has not been delivered prior to such termination and any material, goods or Work in progress which the Contractor specifically acquired or produced for the fulfillment of the contract.

GC10. Termination due to Default of Contractor

- 10.1 Canada may by notice to the Contractor, terminate the whole or any part of the contract:
- (a) If the Contractor fails to perform any of the Contractor's obligations under the contract or in Canada's view, so fails to make progress so as to endanger performance of the contract in accordance with its terms;
 - (b) To the extent permitted under law, if the Contractor becomes bankrupt or insolvent, or a receiving order is made against the Contractor, or an assignment is made for the benefit of creditors, or if an order is made or resolution passed for the winding up of the Contractor, or if the Contractor takes the benefit of a statute relating to bankrupt or insolvent debtors; or
 - (c) If the Contractor makes a false declaration under GC 37 or GC 38 or fails to comply with the terms set out in GC 16.3 or GC 39.
- 10.2 Upon termination of the contract under section GC10, the Contractor shall deliver to Canada any finished Work which has not been delivered and accepted prior to such termination, together with materials and Work in progress relating specifically to the contract and all materials, texts and other documents supplied to the Contractor in relation to the contract.
- 10.3 Subject to the deduction of any claim which Canada may have against the Contractor arising under the contract or out of termination, payment will be made by Canada to the Contractor for the value of all finished Work delivered and accepted by Canada, such value to be determined in accordance with the rate(s) specified in the contract, or, where no rate is specified, on a proportional basis.
- 10.4 If the contract is terminated pursuant to GC 10.1(c), in addition to any other remedies that may be available against the Contractor, the Contractor will immediately return any advance payments.

GC11. Suspension of Work

- 11.1 The Minister may at any time, by written notice, order the Contractor to suspend or stop the Work or part of the Work under the contract. The Contractor must immediately comply with any such order in a way that minimizes the cost of doing so.
