For the purposes of this clause,

"former public servant" is any former member of a department as defined in the Financial Administration Act R.S., 1985, c. F-11, a former member of the Canadian Armed Forces or a former member of the Royal Canadian Mounted Police. A former public servant may be:

"lump sum payment period" means the period measured in weeks of salary, for which payment has been made to facilitate the transition to retirement or to other employment as a result of the implementation of various programs to reduce the size of the Public Service. The lump sum payment period does not include the period of severance pay, which is measured in a like manner.

"pension" means a pension or annual allowance paid under the [Public Service Superannuation Act](#) (PSSA), R.S., 1985, c. P-36, and any increases paid pursuant to the [Supplementary Retirement Benefits Act](#), R.S., 1985, c. S-24 as it affects the PSSA. 4. Enquiries - Request for Standing Offers

All enquiries must be submitted in writing to the Standing Offer Authority no later than 5 calendar days before the Request for Standing Offers (RFSO) closing date. Enquiries received after that time may not be answered.

Offerors should reference as accurately as possible the numbered item of the RFSO to which the enquiry relates. Care should be taken by offerors to explain each question in sufficient detail in order to enable Canada to provide an accurate answer. Technical enquiries that are of a proprietary nature must be clearly marked "proprietary" at each relevant item. Items identified as "proprietary" will be treated as such except where Canada determines that the enquiry is not of a proprietary nature. Canada may edit the question(s) or may request that offerors do so, so that the proprietary nature of the question(s) is eliminated, and the enquiry can be answered to all offerors. Enquiries not submitted in a form that can be distributed to all offerors may not be answered by Canada.

ANNEX A - STATEMENT OF WORK

Provision of all labour, supervision, material, equipment and transportation required for the cleaning of carpets and upholstery on board HMC Ships.

The successful contractor shall be available to provide cleaning services during working hours as well as after hours and on weekends. The ships' sailing schedules will determine when access to the ship is most convenient. It is estimated that each of the 12 ships (One Destroyer, four Frigates and six Maritime Coastal Defence Vessels) would require the carpets to be cleaned approximately three times per year. Depending on the sailing schedule, upholstery cleaning could be required twice a year on each of the ships.

The carpeting on all HMCS ships is 100% wool carpeting with a jute backing. All carpeting is glued down. Underlay is not used on HMCS ships. The process to be used for the cleaning of wool carpeting shall be a "Water based, corrective cleaning system."

Due to the high traffic areas being cleaned, it is imperative that the carpets are dry within one hour of cleaning.

It is mandatory that suppliers offering their services be certified in accordance with the Institute of Inspection Cleaning and Restoration Certification (IICRC) program.

Normal working hours are Monday to Friday from 0700 to 1630 hours
