

Part 1 General

1.1 RELATED REQUIREMENTS

- .1 Section 01 65 00 – Product Delivery Requirements
- .2 Section 05 74 00 – Custom Bronze Components
- .3 Section 10 12 00 – Custom Metal-Framed Glass Display Cases
- .4 Section 12 14 13 – Cut and Carved Stone Components
- .5 Section 12 56 85 – Assembly of Altar Structures

1.2 INSPECTION

- .1 Allow Departmental Representative access to Work. Although the production work may be in locations outside the National Capital Area, all work must be brought to Assembly Shop located in the National Capital Area.
- .2 Departmental Representative will appoint and pay for costs of inspections and testing services, unless indicated otherwise.
- .3 Give timely notice requesting inspection if Work is designated for inspection, review or approvals by Departmental Representative.
- .4 If Contractor covers or permits to be covered Work that has been designated for review or approvals before such is made, uncover such Work, to complete review and make good such Work.
- .5 Departmental Representative will order part of Work to be examined if Work is suspected to be not in accordance with Contract Documents. If, upon examination such work is found not in accordance with Contract Documents, correct such Work and pay cost of examination and correction. If such Work is found in accordance with Contract Documents, Departmental Representative shall pay cost of examination and replacement.

1.3 ACCESS TO WORK

- .1 Allow Departmental Representative access to Work at all off site manufacturing and fabrication plants.
- .2 Co-operate to provide reasonable facilities for such access.

1.4 PROCEDURES

- .1 Collaborate with all sections of work and Departmental Representative to refine and review final details for all components.
- .2 Notify Departmental Representative in advance of requirement for tests, in order that attendance arrangements can be made.
- .3 Submit samples and/or materials required for testing, as specifically requested in specifications. Submit with reasonable promptness and in orderly sequence to not cause delays in Work.
- .4 Provide labour and facilities to obtain and handle samples and materials on site. Provide sufficient space to store test samples.

1.5 REJECTED WORK

- .1 Remove defective Work, whether result of poor workmanship, use of defective products or damage and whether incorporated in Work or not, which has been rejected by Departmental Representative as failing to conform to Contract Documents. Replace or re-execute in accordance with Contract Documents.
- .2 Make good other Contractor's work damaged by such removals or replacements promptly.
- .3 If in opinion of Departmental Representative it is not expedient to correct defective Work or Work not performed in accordance with Contract Documents, Departmental Representative will deduct from Contract Price difference in value between Work performed and that called for by Contract Documents, amount of which will be determined by Departmental Representative.

1.6 REPORTS

- .1 Submit four (4) copies of inspection and test reports to Departmental Representative.
- .2 Provide copies to fabricator of material being inspected or tested.

1.7 MOCK-UPS

- .1 Prepare mock-ups for Work specifically requested in specification, and as indicated below.
 - .1 Bronze Casting: lost-wax casting process.
 - .2 Stone Carving: templates for hand carved moulding work.
 - .3 Stone Carving: templates for hand carved inscriptions.
 - .4 Stone Carving: execution of hand carved lettering..
- .2 As indicated, only the workers that perform the mock-ups may be utilized to do that work or procedure throughout the duration of the work.
- .3 When multiple teams of workers are to perform a certain type of work, every team shall prepare required mock-ups to ensure consistent results and coordination to refine and review final details for the entire work specified in each Section.
- .4 Mock-ups shall be kept protected and intact during the entire duration of the work of this Section.
- .5 Departmental Representative will determine if mock-ups may form part of the finished work.
- .6 Prepare mock-ups for Departmental Representative's review with reasonable promptness and in orderly sequence, to not cause delays in Work.
- .7 Failure to prepare mock-ups in ample time is not considered sufficient reason for extension of Contract Time and no claim for extension by reason of such default will be allowed.
- .8 Ensure quality of work is of highest standard. Immediately notify Departmental Representative if required Work is such as to make it impractical to produce required results.
