SI02 ENQUIRIES DURING THE SOLICITATION PERIOD

1. Enquiries regarding this bid must be submitted in writing to the Contracting Officer named on the Invitation to Tender - Page 1 as early as possible within the solicitation period. Except for the approval of alternative materials as described in GI16 of R2710T "General Instructions to Bidders", enquiries should be received no later than seven (7) calendar days prior to the date set for solicitation closing to allow sufficient time to provide a response. Enquiries received after that time may not result in an answer being provided.
2. To ensure consistency and quality of the information provided to Bidders, the Contracting Officer shall examine the content of the enquiry and shall decide whether or not to issue an amendment.
3. All enquiries and other communications related to this bid sent throughout the solicitation period are to be directed ONLY to the Contracting Officer named on the Invitation to Tender - Page 1. Failure to comply with this requirement may result in the bid being declared non-responsive.

SI03 SITE VISIT

It is recommended that the Bidder or a representative of the Bidder visit the work site. Arrangements have been made for a tour of the work site. The site visit will be held on 09 July 2014 at 1:30 p.m. meeting at Fort Dufferin Reception, accessible through the Dewdney Avenue Entrance, Bonner Drive. Bidders may be requested to sign an attendance form. Bidders who do not attend or send a representative will not be given an alternative appointment, but they will not be precluded from submitting a bid. Any clarifications or changes to the bid solicitation, resulting from the site visit, will be included as an amendment to the bid solicitation

SI04 REVISION OF BID

1. A bid may be revised by letter or facsimile in accordance with GI11 of R2710T "General Instructions to Bidders". The facsimile number for receipt of revisions is (306) 780-3466.

SI05 BID RESULTS

1. A public bid opening will be held in the office designated on the Front Page "Invitation to Tender" for the receipt of bids shortly after the time set for solicitation closing.
2. Following solicitation closing, bid results may be obtained by calling the bid receiving office at Telephone No. (306) 780-3352.

SI06 INSUFFICIENT FUNDING

1. In the event that the lowest compliant bid exceeds the amount of funding allocated for the Work, Canada in its sole discretion may:
 - a) cancel the solicitation; or
 - b) obtain additional funding and award the Contract to the Bidder submitting the lowest compliant bid; and/or
 - c) negotiate a reduction in the bid price and/or scope of work of not more than 15% with the Bidder submitting the lowest compliant bid. Should an agreement satisfactory to Canada not be reached, Canada shall exercise option (a) or (b).

SI07 BID VALIDITY PERIOD

1. Canada reserves the right to seek an extension to the bid validity period prescribed in BA04 of the Bid and Acceptance Form. Upon notification in writing from Canada, Bidders shall have the option to either accept or reject the proposed extension.
2. If the extension referred to in paragraph 1) of SI07 is accepted, in writing, by all those who submitted bids, then Canada shall continue immediately with the evaluation of the bids and its approvals processes.
3. If the extension referred to in paragraph 1) of SI07 is not accepted in writing by all those who submitted bids then Canada shall, at its sole discretion, either:
 - a) continue to evaluate the bids of those who have accepted the proposed extension and seek the necessary approvals; or
 - b) cancel the invitation to tender.
4. The provisions expressed herein do not in any manner limit Canada's rights in law or under GI12 of R2710T "General Instructions to Bidders".

SI08 CONSTRUCTION DOCUMENTS

1. The successful contractor will be provided with one paper copy of the sealed and signed

drawings, the specifications and the amendments upon acceptance of the offer. Additional copies, up to a maximum of one (1), will be provided free of charge upon request by the contractor. Obtaining more copies shall be the responsibility of the contractor including costs.

SI09 SECURITY CLEARANCE

This document contains a mandatory security requirement for the performance of the subsequent contract (refer to clause SC01 of the Supplementary Conditions included herein).

- 1) The Successful Bidder's personnel, as well as any subcontractor and its personnel, who are required to perform any part of the work pursuant to the subsequent contract must meet the mandatory security requirement as indicated in section SC01 of the Supplementary Conditions. **Individuals who do not have the required level of security will not be allowed on site.** It is the responsibility of the successful bidder to ensure that the security requirements are met throughout the performance of the contract. Canada will not be held liable or accountable for any delays or additional costs associated with the successful bidder's non-compliance with the mandatory security requirement.
- 2) For any enquiries concerning the project security requirement, during the bidding period, the Bidder must follow the instructions as detailed in SI02 "Enquiries during the Solicitation Period".

ANNEX A
Statement of Work

- A. Remove and excavate existing landscaping to a minimum depth of 150mm below existing grade.
- B. Remove all existing tree's (unless incorporated in into proposed design) shrubs and forage from site.
- C. Check and verify proper grade from foundation of building to curb.
- D. Verify sizing and pressure for irrigation from main located across the street from work area on east side of building.
- E. Tie into existing main, and run a new main to serve the work area. Any and all damage to existing landscaping in or out of work area will be repaired by the contractor to match existing.
- F. Design irrigation layout to allow for a minimum overlap from head to head of 5%, and to avoid direct spray onto the building.
- G. Existing sidewalks will be either mud jacked or replaced so that they are level with the bottom of the Brick ledge in order to accommodate proper drainage. This will require elevations to be taken at the building as well as the curb. All concrete must be 32MPA finished to match existing concrete. Contractor can provide a per meter price if they choose to mud jack and replace sections of concrete.
- H. Space in-between sidewalk and curb will be packed with type 32 base and filled with a minimum of 100mm of 10mpa concrete slurry.
- I. A concrete pedestrian ramp will be installed on the South West side of the building to match up with existing asphalt. Asphalt will be patched as required to match existing.
- J. The existing Wood curb on the South West side of the building will be removed and replaced with a concrete Curb, an asphalt slurry will be used to patch asphalt against curb
- K. Back fill remaining area using top soil, and grade the area with a minimum 4% grade running away from the building. If required install swales into landscaping and curb. Curb will be cut and re-formed to a minimum width of 1.5M.
- L. Install sod and street tree's as per Landscape Master Plan (copy will be provided upon award of contract is awarded or shown during the site visit, if one is requested). Tree spacing is 1m from curb, and 6 meters center to center.
- M. All tree's to be American Elm placed at intervals noted above. All new tree's will be 50 caliper.
- N. **Design three (3) options for a flower bed/urns in the South East and North East corners of the building, provide pricing and design for each option. This design will be used for evaluation in the tender process.***
- O. Down spouts will be extended from the building to the street using 300mm PVC pipe and extended through the curb. The curb will need to be broken out and formed around the pipe to match existing.
- P. Access to the building will be maintained at all times for training purposes.
- Q. Special attention will be required to ensure the safety of people/cadets passing through/around the work area.
- R. Portable bathroom will be supplied by the contractor
- S. All work will be during regular working hours from Monday to Friday 0700 – 1630
- T. Work area will be kept clean and tidy during construction.
- U. Pierlet Avenue, Kings Boulevard, and Arnold Mews will remain open for use during construction.
