01B46-14-0054

Date: July 11, 2014

Project: 01B46-14-0054- Feasibility study plans and specifications preparation and work monitoring for the repair of the

Q&A#4

roof of building No. 35.

Bidders must make sure that their bids are based on the latest version of the tender documents published and take into consideration the following amendments and information, including any information provided on amendments or Q&As previously published for this project.

Bidders that do not comply with this requirement will be discarded.

Please note: In order to provide the integrity of the questions that AAFC has received from bidders, you will find in this document the questions in the language that they were asked.

Questions and answers:

- Q5. Would it be possible for you to send us the existing building plans in PDF format in a way to help us prepare our bid?
- A5. The "As built Drawings" of the original construction (1991) are available in the attachment.
