

Q&A #1

Date: July 10, 2014

Project: 01B46-14-0055- Preparation of plans and specifications and supervision of work for the replacement of chemical hood exhaust system at the Normandin research Farm.

Bidders must make sure that their bids are based on the latest version of the tender documents published and take into consideration the following amendments and information, including any information provided on amendments or Q&As previously published for this project.

Bidders that do not comply with this requirement will be discarded.

Please note: In order to provide the integrity of the questions that AAFC has received from bidders, you will find in this document the questions in the language that they were asked.

Questions and answers:

Q1. Will the plans of the existing installation and the study on the system's condition be available before the tender period closure?

A1. No. These documents will be available after the contract will be awarded to the Engineering firm.

Q2. Will the bids be evaluated according to a scoring range?

A2. No. Only the bid price of the tenders meeting the mandatory requirements will be evaluated.

Q3. Can a turn-key proposal be tabled in?

A3. No. This is an Engineering mandate only.

ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED
