Question 1

M3: For translated experience. Does each proposed translator have to have translated 500 000 words in the last five years or any 5 year period?

Answer 1

Yes, each translator must have translated at least 500,000 words in the last five (5) years. The five (5) year period ends on the bid solicitation date.

Question 2

R2, R3 and R4: Does the translator have to have accumulated the min. word count in a course of five years or can they have accumulated the experience in less than five years or more than five years? If so, would this apply to only the last five years or during any five year period of their career? Also does the five years have to be consecutive?

Answer 2

The translator can have accumulated the experience in a specific field in less than five years, as long as they have accumulated that experience during the five (5) year period ending on the bid solicitation date (i.e. June 2009 to June 24, 2014).
