Amendment 002 is raised to answer the following question:

Question 1: I am inquiring if there is any exterior window glass cleaning in this tender. I have looked through the specifications and have only seen entrance door glass, inside and out cleaned. I am interested in the window glass of the whole building being cleaned. And if so, how many times during the life of the contract?

Answer to Question 1: Exterior perimeter glass with the exception of the ground level main entrance and all other exterior entrance doors will be cleaned. Contractor is responsible for annual cleaning of all interior glass (including perimeter interior) as per Annex A- statement of work contained in the Request for Proposal.

All Other Terms and Conditions Remain the Same.
