BA03 THE OFFER

Bidders are being asked to provide separate pricing for a single phased project and a two phased project (note that the first phase is to be fully completed and certified prior to the start of Phase Two).

The Financial Evaluation for award will be based on the lowest bid of a Two Phased Project. However, if time and circumstance permit the Awarded Contractor to complete this project in a Single Phase then the resulting contract will be amended to provide the RCMP with a reduction in cost. Therefore you are being requested to supply a reduction to the two phase price to complete the project as a single phase. This price reduction will be used to reduce the cost of the work using a change order if the work can be done as a single phase.

Two Phase Pricing
