This amendment 002 is being raised to incorporate the following information into Solicitation W0142-15X007/A:

### **AMENDEMENTS:**

1. Refer to Page 18, Annex "A", Requirement, **2.2 Mandatory Requirements**

#### **DELETE:**

(2.2.4) All faculties entrusted in the storage and dissemination of foods must be Hazard Analysis and Critical Control Point (HACCP) certified.

#### **INSERT:**

(2.2.4) All facilities entrusted in the storage and dissemination of foods must follow Hazard Analysis and Critical Control Point (HACCP) guidelines.

### **Questions and Answers:**

Q 1: Regarding Part 5, "Certifications" of the Solicitation document on page 9: it appears that we don't actually need to include any physical certifications with the bid. They may be required at a future date but are not needed now, is that correct?

A.1 This Solicitation cites Canadian Content Certification (Article 1.2 and Article 1.2.1), on page 10 of the document. You are required to complete, in the area provided on the solicitation document itself, in the brackets, whether or not the Offeror certifies they meet that definition of Canadian content. Regardless of how you answer the question, or don't answer that question, that page is to be returned along with the remainder of your offer. Other certifications if required would be provided precedent to Issuance of the Standing Offer.

Q 2. Regarding the Technical Offer portion of the Solicitation in Part 3 on page 7, is there a template attached with the solicitation that I need to complete for the Technical Offer?

A 2. No. There is no template to complete for that. The method that the Offeror uses to address the technical Offer is their choice (i.e. handwritten, typed, on letterhead, plain paper....).

Q 3. In Annex "B", Evaluation Methodology, on page 22 of the Solicitation, item no. 12 states that the meat in all subs must be layered and well displayed so the meat is visible without opening the sub bun. Because vegetarian meals to not contain meat how would this apply?

A 3. Item no 12 is not applicable to vegetarian meals.

Q 4. What is the difference between the "Requested Format" and "Offered Format" columns in Annex "C" of the attached Excel Spreadsheet in the second tab labelled 'Sandwich and Box Lunch BOP'?

A 4. Regarding Annex "C", the second tab in the excel spreadsheet labelled "'Sandwich & Box Lunch BOP (Basis of Payment)", the "Requested Format" column is requesting the price for ten (10) Sandwiches, cut into 2 and placed into a sandwich wedge (sandwiches should be cut in half diagonally equally and placed into a sandwiched wedge (packaging). If the Offeror is offering a different format because they cannot provide the requested format, only then does the "Offered Format" column need to be completed by the Offeror.
