Solicitation Amendment

Title - Heat Exchangers/Storage Tanks

Solicitation Amendment No. 001

This solicitation is hereby amended to provide the following questions and answers

In Annex D it says all tanks and parts are to be stainless steel;

Q#1 - Are the man holes to be stainless steel?

A#1 - Yes, the man holes must be stainless steel.

Q#2 - The drawings show Carbon Steel flanges on the tank and the heat exchanger says carbon steel head. Should these also be stainless steel?

A#2 - Yes, these must be all stainless steel.

Q#3 - The collar the carbon steel flange is welded to, should it be stainless steel also? Normally you don't weld two different types of materials.

A#3 - The collar and steel flange must be stainless.

Q#4 - On all the tanks the dimensions do not match the capacity. Should the tanks be priced as the dimensions or capacity? (Example tank # 268847 is 600mm x 1500mm sizes to 408L but the drawing says 1200L?)

A#4 - Price by the dimensions, not capacity.

If your bid has already been forwarded and you wish to revise same, this revision should be sent either in a sealed envelope and mailed to the above address or by facsimile (506) 851-6759 and reach the undersigned before the appropriate closing date. The solicitation number and the closing date are to be shown on the outside of the sealed envelope or on the facsimile transmission.

All other terms and conditions of the solicitation document remain unchanged remain unchanged.

All enquiries concerning this amendment are to be forwarded to:

Name Charlene Sharpe

Telephone No.: (506) 851-3467

Facsimile No: (506) 851-6759
