Amendment No. 002
Solicitation No. EN869-141670/A
Occupational Safety and Health E-Learning Solution (OSHELS)

The purpose of this amendment is to respond to questions relating to this bid solicitation as detailed in Section A.

SECTION A - QUESTIONS AND ANSWERS

#	Question	Answer
3	Ref: Bid Solicitation, Annex A, Statement of Requirements, Mandatory Requirement M-14 and Rated Requirement R-11: We realize that Canada is seeking to move data into Content Server. Whether data is being moved "in" to Content Server or "out" of Content Server, the result is that the customer reference demonstrates that we have software "connectors" to OpenText Content Server APIs. We therefore request that Canada amends M-14 and R-11 to allow bidders to use references of customers that have used the software solution to either move data "in" and / or "out" of Content Server.	Canada has considered the request and determined that the proposed modification would not allow for an adequate evaluation of experience. Mandatory Requirement M-14 and Rated Requirement R-11 will remain the same.
4	Ref: Bid Solicitation, Annex B, Basis of Payment: Would Canada consider changing its approach and acquire the software based on the volume of files or volume of data that is migrated to Content Server?	Canada has considered the request and determined that the proposed modifications to the Basis of Payment will not be accepted. The pricing tables will remain the same.

ALL OTHER TERMS AND CONDITIONS OF THE BID SOLICITATION
