Part 1. Interpretation

- 1.1** Elections Canada hereby amends in accordance with this amendment the Request for Proposal (RFP) bearing number ECSVT-RFP-14-0335 and dated August 7, 2014. This amendment hereby forms part of the RFP.
- 1.2** Unless defined herein or unless the context otherwise requires, all of the words and phrases defined in the RFP and used in this amendment shall have the same meanings assigned to them in the RFP.

Part 2. Questions and Answers

The following question(s) have been asked in response to the RFP and Elections Canada hereby answers as follows:

2.1 Question No.7

Question:

Since you mentioned that a flap type briefcase is required. Normally there is only one handle given on the top when there is a flap covering the opening of the briefcase. The flap is then secured with buckles. In the solicitation document, the word handles is mentioned which I presume indicates requirement of 2 handles. Can you confirm if two handles and a flap covering the top opening is what you are actually looking for.

Answer:

Only one handle is required on the top of the briefcase.

2.2 Question No.8

Question:

Do you require one of the inner compartments to be padded for laptop.

Answer:

No, a padded compartment is not required.
