3. In conducting its evaluation of the bids, Canada may, but will have no obligation to, request bidders offering a substitute product to demonstrate, at the sole cost of bidders, that the substitute product is equivalent to the item specified in the bid solicitation.

## PART 5 - CERTIFICATIONS

Offerors must provide the required certifications and associated information to be issued a standing offer. The certifications provided by offerors to Canada are subject to verification by Canada at all times. The Standing Offer Authority will have the right to ask for additional information to verify the Offeror's certifications.
