This Tender Amendment No. One (1) is raised to include the following Addendum No. One (1).

The following Addendum to the tender is effective immediately. This addendum shall form part of the contract documents.

All other terms and conditions remain the same.

Addendum No. 1

1. OPTIONAL SITE VISIT

There will be an optional site visit on September 3, 2014 at 10:00 am. All interested bidders are to meet at main entrance of the Service Canada Building, 680 Main Street, Woodstock, New Brunswick. Bidders must communicate with the Contracting Authority no later than one day before the scheduled visit to confirm attendance and provide the names of the person(s) who will attend. Although not mandatory, all contractors wishing to submit a tender for this work are encouraged to attend to become familiar with all aspects of the work.

Bidders who do not attend or send a representative will not be given an alternate appointment, but they will not be precluded from submitting a bid. Any clarifications or changes to the bid solicitation resulting from the site visit will be included as an amendment to the bid solicitation.

2. SPECIFICATION

Section 01 00 10 General Instructions, 1.1 Description of Work:

REMOVE "The work shall include but not limited to the supply and install of all products, services, labour, materials and equipment required to complete the project Bar Chart (GANTT Chart): graphic display of schedule related information. In typical bar chart, activities or other Project elements are listed down left side of chart, dates are shown across top, and activity durations are shown as date-placed horizontal bars. Generally Bar Chart should be derived from commercially available computerized project management system"

And **REPLACE WITH** "The work shall include some fit-up and base building work to refit the ESDC space as well as some base building in some of the adjacent common areas. Demolition work and construction work for a new multipurpose room, telecommunication room, kitchenette, storage room, office area and public area shall be completed. The work shall include but is not limited to the supply and install of all products, services, labour, materials and equipment in order to meet the requirements of the drawings and specifications."
