This solicitation amendment has been raised to answer questions asked by potential bidders during the tendering period and to amend the following. The question below has been asked in addition to Q and A's # 1- 21 that have been posted previously.

QUESTION 22

Regarding the proposed system being available and fully functional by September 30. From a contractor's perspective, our ability to meet this deadline would depend on when the project is awarded. Do you know when this would be?

ANSWER 22

AAFC anticipates awarding a contract by September 16, 2014 at the latest.

AMEND SUBMISSION DEADLINE

Submissions will now be received up to 2:00 p.m., local Regina time, Friday, September 5, 2014.

AMEND ENQUIRIES – SOLICITATION STAGE

4.2 Enquiries and issues must be received by the Contracting Authority on or before 2:00 pm local (Regina time), August 28, 2014 to allow sufficient time to provide a response. Enquiries or issues received after that time will not be answered.

DELETE: Under Appendix "B", Section 6. "Deliverables Date"

REPLACE WITH: Note – The actual system must be available and ready for configuration upon execution of the contract with no development, procurement modification or other start up delays, costs or risks.

It must be fully functional by **October 6, 2014.**

All other terms and conditions of the Request for Proposal remain unchanged.
