Solicitation Amendment

Title Heat Exchangers/Storage Tanks

Solicitation Amendment No. **002**

This solicitation is hereby amended to provide the following questions and answers

Q1. We are asking for an exemption to the last paragraph of Annex D, page 13 of 13 of the Request for Proposal. Only sketches will be supplied with the quote and all fabrication drawings will be made and transferred to the customer after reception of an order:

“As well, Bidders are to provide shop drawings WITH their bid, demonstrating how they meet all these specifications as well as Annex B, the drawings supplied by the client. Bidders not providing shop drawings will be considered non-compliant and given no further consideration.”

A1. I have talked to the end user and they need shop drawings from suppliers to confirm we are getting the correct product. So, the answer to the exemption request is no.

If your bid has already been forwarded and you wish to revise same, this revision should be sent either in a sealed envelope and mailed to the above address or by facsimile (506) 851-6759 and reach the undersigned before the appropriate closing date. The solicitation number and the closing date are to be shown on the outside of the sealed envelope or on the facsimile transmission.

All other terms and conditions of the solicitation document remain unchanged remain unchanged.

All enquiries concerning this amendment are to be forwarded to:
