**APPENDIX “C”  
STATEMENT OF WORK**

**1.0 Scope**

**1.1 Title:** Law Enforcement Familiarization Training

**1.2 Introduction**

The Canadian Coast Guard (CCG), a Special Operating Agency within the federal Department of Fisheries and Oceans (DFO), invites proposals from qualified firms to provide Law Enforcement Familiarization Training (LEFT) to CCG personnel.

CCG employees assigned to ships tasked with the support of law enforcement activities face additional duties and risks above and beyond those faced by employees assigned to vessels tasked to traditional CCG programs. LEFT is intended to develop an understanding of the procedures, practices and risks faced by CCG partner departments and agencies tasked with law enforcement mandates.

Prospective bidders must have delivered similar training programs within the last two years with similar subject matter as that specified in the Statement of Work, and be able to provide relevant references. The bidder must have the capability to provide this training in French and English.

**1.3 Estimated Value**

The total value of any contract(s) emanating from this RFP shall not exceed \$160,000.00, including travel and living expenses and all applicable taxes.

**1.4 Objectives of the Requirement**

Our objective is to hire a contractor who is able to supply a minimum of two qualified instructors for each course. The instructors are on an “as and when” requested basis to deliver the LEFT curriculum as described in this Statement of Work

**1.5 Background, Assumptions and Specific Scope of the Requirement**

Since 2005, the CCG has been delivering a joint CCG/Royal Canadian Mounted Police (RCMP) Maritime Security program on the waters of the Great Lakes and the St. Lawrence River. In the course of this program delivery, CCG crews work in close physical proximity to armed law enforcement personnel. These working conditions expose CCG employees to risks and hazards beyond those experienced by employees engaged in traditional CCG programs. To mitigate some of these hazards, the CCG has provided its employees assigned to the Maritime Security vessels additional personal protective equipment and LEFT.

LEFT focuses on developing an understanding of CCG partner departments and agencies

tasked with law enforcement mandates and of basic risk mitigation procedures and practices.

All course participants will be CCG employees on departmentally authorized training. The CCG retains responsibility for the occupational health and safety of its employees during training hours.

## **2.0 Requirements**

### **2.1 Tasks, Activities, Deliverables and Milestones**

A Task Authorization will be issued for each session on an “as-and-when-requested basis.” The Contractor will prepare, develop, and deliver Law Enforcement Familiarization Training to CCG personnel on-site at the CCG College in Sydney, NS, in both English and French. # Annex "C" PAR-Q WAIVER PAR-Q & YOU

(A Questionnaire for People Aged 15 to 69)

Regular physical activity is fun and healthy, and increasingly more people are starting to become more active every day. Being more active is very safe for most people. However, some people should check with their doctor before they start becoming much more physically active.

If you are planning to become much more physically active than you are now, start by answering the seven questions in the box below. If you are between the ages of 15 and 69, the PAR-Q will tell you if you should check with your doctor before you start. If you are over 69 years of age, and you are not used to being very active, check with your doctor.

Common sense is your best guide when you answer these questions. Please read the questions carefully and answer each one honestly: check YES or NO.

YES	NO	
<input type="checkbox"/>	<input type="checkbox"/>	1. <b>Has your doctor ever said that you have a heart condition <u>and</u> that you should only do physical activity recommended by a doctor?</b>
<input type="checkbox"/>	<input type="checkbox"/>	2. <b>Do you feel pain in your chest when you do physical activity?</b>
<input type="checkbox"/>	<input type="checkbox"/>	3. <b>In the past month, have you had chest pain when you were not doing physical activity?</b>
<input type="checkbox"/>	<input type="checkbox"/>	4. <b>Do you lose your balance because of dizziness or do you ever lose consciousness?</b>
<input type="checkbox"/>	<input type="checkbox"/>	5. <b>Do you have a bone or joint problem (for example, back, knee or hip) that could be made worse by a change in your physical activity?</b>
<input type="checkbox"/>	<input type="checkbox"/>	6. <b>Is your doctor currently prescribing drugs (for example, water pills) for your blood pressure or heart condition?</b>
<input type="checkbox"/>	<input type="checkbox"/>	7. <b>Do you know of <u>any other reason</u> why you should not do physical activity?</b>

**If  
you  
answered**

## YES to one or more questions

Talk with your doctor by phone or in person BEFORE you start becoming much more physically active or BEFORE you have a fitness appraisal. Tell your doctor about the PAR-Q and which questions you answered YES.

- You may be able to do any activity you want — as long as you start slowly and build up gradually. Or, you may need to restrict your activities to those which are safe for you. Talk with your doctor about the kinds of activities you wish to participate in and follow his/her advice.
- Find out which community programs are safe and helpful for you.

## NO to all questions

If you answered NO honestly to all PAR-Q questions, you can be reasonably sure that you can:

- start becoming much more physically active — begin slowly and build up gradually. This is the safest and easiest way to go.
- take part in a fitness appraisal — this is an excellent way to determine your basic fitness so that you can plan the best way for you to live actively. It is also highly recommended that you have your blood pressure evaluated. If your reading is over 144/94, talk with your doctor before you start becoming much more physically active.

### DELAY BECOMING MUCH MORE ACTIVE:

- if you are not feeling well because of a temporary illness such as a cold or a fever — wait until you feel better; or
- if you are or may be pregnant — talk to your doctor before you start becoming more active.

**PLEASE NOTE:** If your health changes so that you then answer YES to any of the above questions, tell your fitness or health professional. Ask whether you should change your physical activity plan.

**Informed Use of the PAR-Q:** The Canadian Society for Exercise Physiology, Health Canada, and their agents assume no liability for persons who undertake physical activity, and if in doubt after completing this questionnaire, consult your doctor prior to physical activity.

**No changes permitted. You are encouraged to photocopy the PAR-Q but only if you use the entire form.**

NOTE: If the PAR-Q is being given to a person before he or she participates in a physical activity program or a fitness appraisal, this section may be used for legal or administrative purposes.

**BASIS OF SELECTION**

HIGHEST COMPLIANT COMBINED RATING OF TECHNICAL MERIT AND PRICE

The compliant bidder with the highest combined rated criteria points (70%) and price (30%) shall be selected as the best value supplier. An example of Highest Compliant Combined Rating of Technical Merit and Price is shown below:

Best Value Determination

	Bidder 1	Bidder 2	Bidder 3
Rated Criteria Points	80	90	95*
Per Diem Rate	\$700.00**	\$725.00	\$975.00
Calculation			
	Technical Points	Rated Price Points	Total Points
Bidder 1	$80/95^* \times 70\% = 58.9$	$700^{**}/700 \times 30\% = 30$	$58.9 + 30 = 88.9$
Bidder 2	$90/95^* \times 70\% = 66.3$	$700^{**}/725 \times 30\% = 29$	$66.3 + 29 = 95.3$
Bidder 3	$95/95^* \times 70\% = 70$	$700^{**}/975 \times 30\% = 21.5$	$70 + 21.5 = 91.5$
* Represents the highest technical score			
** Represents the lowest priced proposal			

Assumption: The Highest technical score and lowest price proposal received full rated percentage and other proposals are pro-rated accordingly.

The winner is the bidder scoring the highest total points established by adding the technical and rated price points.

Based on the above calculation, a contract would be awarded to Bidder 2.
