## Solicitation amendment 007

This solicitation amendment is raised to:

1. Provide clarification of Article 3.1 (d) and Form 1 of the RFP.
2. ***As per article 2.4 - Enquiries - Bid Solicitation, (a) of the RFP, the question period is closed.***

---

### *Questions and Answers*

#### ***Question #12:***

I realize that the question period has passed but also noticed that another extension has been granted so I am hopeful you might be willing to reconsider answering the question as there is no competitive advantage. I have had several people read the RFP around the submission of bids and all are confused as well. In some sections such as Form 1 it has us check off which Institutions are covered by the bid which would make it seem as one bid is fine for all institutions we are bidding on. Conversely on page 10 section 3.1 (d) it makes it sound more like a separate bid is to be done for each. Based on the large amount of hard copies it would seem that one bid could cover all but I was hoping for some clarity on this.

#### ***Answer #12:***

The Bidder(s) must submit a separate bid for each individual Institutions(s) that they wish to submit a bid for (i.e. one bid for Institution X and one bid for Institution B). As per the Form 1, Bidders are to indicate which Institutions(s) they are proposing in their bid (i.e. Bidder would check Institution X in one bid and Institution B in the other bid).
