This amendment is raised to address the following:

- To respond to questions received during the solicitation period

### **QUESTIONS AND ANSWERS**

#### **Question 3:**

Is it permissible to modify the “Estimated Level of Effort” hours within Annex B to supply an accurate estimate of the bidder’s Estimated Level of Effort or would making these changes cause the tender to be disqualified.

#### **Answer 3:**

Any changes to the tender document will render the bid not responsive and it will not be considered further. The bidder is to enter the number of hours available to provide service per week on page 24, below the 2<sup>nd</sup> option period block.
